Paper Towns - John Green 2013

Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

Double Header - Diphallid Dude 2014-12-25

He was featured on the front pages of RollingStone.com, Jezebel.com and was covered by The Huffington Post. Both Conan O'Brien and Jay Leno featured him in their opening monologues. Countless news agencies around the world broke the story when he went on Reddit and did an Ask Me Anything (AMA). Ranking as the 4th most popular Reddit AMA of all time (beating out the likes of Peter Dinklage, Bill Murray, Arnold Schwarzenegger and Harrison Ford), DoubleDickDude spent 48 hours discussing his life with a genetic condition known as diphallia. Only 1 in 5.5 million males worldwide are born with two penises. However very few (if any) are born with two working, and by all accounts, attractive penises. After having managed to stay under the radar for over 20 years DoubleDickDude (or DDD for short) amassed thousands of followers on Twitter and Tumblr in a matter of hours. In fact Twitter (temporarily) suspended his account for replying to his followers too many times! For the past year he has taken to writing a more lengthy and detailed

account of his life so far. Very little could be detailed during a frenzy of questions from thousands on Reddit. DDD goes from discussing his childhood, and explains how he knew he was special at an early age. His parents support grounded him in his early youth. We find out how he lost his virginity and was exposed to his peers. From there he discusses his wild streak of sexual adventures fresh out of high school. Recapping his favorite questions and answers, discussing sexuality and acceptance DDD covers the gamut. Don't worry, all the saucy and steamy stories he hinted at in his AMA are covered and then some. Like that 7-way orgy he briefly detailed amid the torrent of questions during his AMA. Not to mention the hunky straight gym jock who "went gay" and the poor girl who... shall we say, her lady place was a wreck after one time with DDD. It's all in there and more! Written from first person perspective the narrative is raw, honest and often times gritty. Details are not spared and readers beware, naughty moments are revealed! The next time you see a man on the street with more than an adequate bulge in his jeans, it might just be DDD.

The Accident Man - Tom Cain 2008-01-31

Breathlessly paced, international in scope, and featuring one of the most intriguing heroes in recent fiction, Tom Cain's smashing debut surprises the reader at every turn. A thriller that explores the secret of Princess Diana's death, *The Accident Man* imagines the man who may have killed her. For a certain sum of money, Samuel Carver can arrange a death. A ruptured gas line, an automobile crash, a fall from a window—anything can be made to look like an accident. But when Carver is set up, betrayed, and pursued by the very forces that hired him, he must execute his most daring feat yet.

Trell - Dick Lehr 2017-09-12

From the co-author of *Black Mass* comes a gripping YA novel based on the true story of a teenage girl's murder — and a young father's false imprisonment for the crime. On a hot summer night in the late 1980s, in the Boston neighborhood of Roxbury, a fourteen-year-old African-American girl was sitting on a mailbox talking with her friends when she became the innocent victim of gang-related gunfire. Amid public outcry, an immediate manhunt was on to catch the murderer, and a young African-American man was quickly apprehended, charged, and — wrongly — convicted of the crime. Dick Lehr, a former reporter for the *Boston Globe's* famous Spotlight Team who worked on this story three decades ago, brings the case to light once more with *Trell*, a page-turning novel about the daughter of the imprisoned man, who persuades a reporter and a lawyer to help her prove her father's innocence. What pieces of evidence might have been overlooked? Can they manage to get to the truth before a dangerous character from the neighborhood gets to them?

Hang Time - Elgin Baylor 2018

Elgin Baylor's memoir of an epic all-star career in the NBA—during which he transformed basketball from a horizontal game to a vertical one—and his fights against racism during his career as a player and as general manager of the LA Clippers under the infamous Donald Sterling. People think of Elgin Baylor as one of the greatest basketball players in the

history of the game—and one of the NBA's first black superstars—but the full extent of his legacy stretches beyond his spectacular, game-changing shots and dunks. With startling symmetry, Baylor recounts his story: flying back and forth between the U.S. Army and the Lakers, his time as a central figure in the great Celtics-Lakers rivalry and how he helped break down color barriers in the sport, his 1964 All-Star game boycott, his early years as an executive for the New Orleans Jazz, and twenty-two years as general manager for the notorious L.A. Clippers and Donald Sterling, spent fighting to draft and sign young, black phenoms—only to be hamstrung by his boss at every turn. No one has seen the league change, and has worked to bring change, more than Baylor. Year after year, he continued to fight and persevere against racism. At the beginning of his career, he was forced to stay in separate hotel rooms. From those days to today's superstardom, he has had a front-row view of the game's elevation to one of America's favorite sports. For the first time, Elgin Baylor tells his full story. He's played with the legends, lived with them, and knows more about the NBA than anyone living, and is finally ready to set the record straight.

Threesome - Matthew Bright 2016-03-03

"Few sexual fantasies are as potent or lasting as -the threesome' -- the first time you saw a hot couple walking hand in hand and you wanted to follow them back home and into their bed, or when you discover that both your and your partner has been fantasizing about the bartender at your favorite club. And once you have three in a bed, all sorts of things can happen: sometimes things can get romantic, or things can get complicated, but most importantly: things can get hot as hell" -- Back cover.

The Big Adventures of Tiny Dick - Heather Land 2017-09-15

You don't have to be big to do great things! Tiny Dick proves that in this hilarious and fun coloring book. TD isn't huge but he makes up for it with his giant personality and fun adventures! This book is great for bachelorette parties, boring Friday nights home alone, or to send to a (very tiny) ex-boyfriend.

Lady Chatterley's Lover - D. H. Lawrence 2015-05-06

David Herbert Lawrence (1885–1930) was an English writer and poet whose work famously examined the results of industrialisation on contemporary society. In his novels and poetry, Lawrence explored a variety of then-controversial issues including sexuality and emotional health, which led many to label his work pornography. Today, he is considered to be one of the most important and influential writers of his generation. Lawrence's 1928 novel "Lady Chatterley's Lover" is the story of the former Constance Reid (Lady Chatterley), a young woman married to an upper-class baronet who was left with lower body paralysis as a result of his participation in the Great War. Both physically and emotionally distant from her husband, Constance begins an extramarital affair with the gamekeeper. Following the Victory of the publisher Penguin Books in an obscenity trial in the United Kingdom, an uncensored version of the book was finally published and gained notoriety due to explicit descriptions of sex and its use of then-unprintable four-letter words. A revolutionary novel and a true classic of English literature, "Lady Chatterley's Lover" would make for a worthy addition to any bookshelf. Read & Co. Classics is proud to be republishing this seminal novel now in a brand new edition complete with a specially-commissioned new biography of the author.

Cultural Encyclopedia of the Penis - Michael Kimmel 2014-09-26
Peter. Pecker. Wiener. Dick. Schlong. Penis. Whatever we choose to call it, the penis is more than just a body part. This A-to-Z encyclopedia explores the cultural meanings, interpretations, and activities associated with the penis over the centuries and across cultures. Scholars, activists, researchers and clinicians delve into the penis in antiquity, in art, in religion, in politics, in media, in music, and in the cultural imagination. They examine the penis as a problem, a fetishized commodity, a weapon, an object of play. Penile décor and fashions—from piercings to koteka—are treated with equal dignity. Explanation of common medical terms and not-so-common subcultural practices add to the broad scope of the book. Taken together, the Cultural Encyclopedia of the Penis offers refreshing, thoughtful, and wide-ranging insight into this malleable, meaningful body part.

Iron Man McGinnity - Don Doxsie 2014-01-10

This biography traces the hard life and colorful career of "Iron Man" McGinnity from his childhood working the coalfields of Illinois to his death in 1929. McGinnity may have been the most durable hurler in the history of the sport, often pitching both games of a doubleheader. He averaged more wins per season in his 10-year major league career than any pitcher in history, and continued to pitch for two more decades in the minor leagues before retiring at 54.

Hostages No More - Betsy DeVos 2022-06-21

Now a National Bestseller! From coronavirus lockdowns to critical race theory in the classroom, it has become crystal clear that America's schools aren't working for America's students and parents. No one knows this better than Betsy DeVos. Long before she was tapped by President Trump to serve as secretary of education, DeVos established herself as one of the country's most influential advocates for education reform, from school choice and charter schools to protecting free speech on campus. She's unflinching in standing up to the powerful interests who control and benefit from the status quo in education - which is why the unions, the media, and the radical left made her public enemy number one. Now, DeVos is ready to tell her side of the story after years of being vilified by the radical left for championing common-sense, conservative reforms in America's schools. In *Hostages No More*, DeVos unleashes her candid thoughts about working in the Trump administration, recounts her battles over the decades to put students first, hits back at "woke" curricula in our schools, and details the reforms America must pursue to fix its long and badly broken education system. And she has stories to tell: DeVos offers blunt insights on the people and politics that stand in the way of fixing our schools. For students, families and concerned citizens, DeVos shares a roadmap for reclaiming education and securing the futures of our kids - and America.

Shrek! - William Steig 2012

Shrek wasn't always a movie star . . . Discover the ugly truth about everyone's favourite ogre. There's no doubt about it - Shrek is ugly. Really ugly. He scares the socks off anyone unlucky enough to encounter

him. Even the flowers and trees lean away from him to avoid his horrible stench. And any snake dumb enough to bite him instantly falls down dead. What Shrek needs is someone just as repulsive as he is. So, after being kicked out of the black hole in which he was hatched, he slogs off on a quest to find the most stunningly ugly princess on the surface of the planet. Will they live horribly ever after? Created by one of the twentieth century's most beloved children's authors and reimagined as films and a musical, this is the original, monstrously funny story of Shrek.

Toxic Rainbows - Jim Lucio 2018-10-17

Toxic Rainbows: Surviving and Thriving in the New Babylon by Jim Lucio is a lifemap and spiritual guide; a deprogramming and awareness manual that shines light on the dark corners of human experience and provides access routes back toward the light of change and happiness. Written from a Generation X, pre-internet perspective, the author explores a subject that blurs the lines between psychology, philosophy and spirituality. His perceptive insights and natural approach to spirit creates a bridge for the reader to move from the mundane modern world to accessing the healing energies and limitless possibilities of the greater universe. The work outlines a process by which readers gain knowledge and deep insight by understanding the hidden true self. Through the discernment of patterns, habits, conditioning and the appropriation of ideas that no longer serve us, we are allowed to forge new paths that can lead to true miracles and the ability to harness love and the pure magic of nature.

Sophie's World - Jostein Gaarder 2007-03-20

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Methland - Nick Reding 2010-06-03

Traces the efforts of a small Iowa community to counter the pervasiveness of crystal methamphetamine, in an account that offers

insight into the drug's appeal while chronicling the author's numerous visits with the town's doctor, the local prosecutor and a long-time addict. Reprint. A best-selling book.

Penile Photography - Sebastian T Armstrong 2020-09-17

Let's get one thing out of the way: Penile Photography is Art. Taken seriously and elevated to the artistic level it deserves, penile photography is so much more than the hastily taken photographs, quickly published to social media and an unsuspecting, uninterested viewer. While so-called "dick pics", (vulgar slang for penis photographs) have become a ubiquitous, yet unwelcome element in modern culture, photographically it is none the less trite and banal. The penis is a beautiful organ, symbolically intriguing, functionally dynamic and full of meaning to its owner. The personal artistic endeavor of photographing one's own penis is a journey of self-discovery, a liberation from notions of expression of personal creativity and healthy self-love. This book will inspire and help you elevate your plain and uninspiring penis photos to beautiful penile art that is appreciated on a multitude of levels.

Medical Medium - Anthony William 2021-03-23

From the #1 New York Times best-selling author of the Medical Medium series, a revised and expanded edition of the book that started a health revolution. Anthony William, the Medical Medium, has helped millions of people heal from ailments that have been misdiagnosed or ineffectively treated or that doctors can't resolve on their own. Now he returns with an elevated and expanded edition of the book where he first opened the door to healing knowledge from over 30 years of bringing people's lives back. With a massive amount of healing information that science won't discover for decades, Anthony gets to the root of people's pain or illness and what they need to do to restore their health now--which has never been more important. His tools and protocols achieve spectacular results, even for those who have spent years and many thousands of dollars on all forms of medicine before turning to him. They are the answers to rising from the ashes. Medical Medium reveals the true causes of chronic symptoms, conditions, and diseases that medical communities continue to misunderstand or struggle to understand at all.

It explores the solutions for dozens of the illnesses that plague us, including Lyme disease, fibromyalgia, adrenal fatigue, ME/CFS, hormonal imbalances, Hashimoto's disease, MS, RA, depression, neurological conditions, chronic inflammation, autoimmune disease, blood sugar imbalances, colitis and other digestive disorders, and more. This elevated and expanded edition also offers further immune support, brand-new recipes, and even more solutions for restoring the soul and spirit after illness or life events have torn at our emotional fabric.

Whether you've been given a diagnosis you don't understand, or you have symptoms you don't know how to heal, or someone you love is sick, or you're a doctor who wants to care for your own patients better, Medical Medium offers the answers you need. It's also a guidebook for everyone seeking the secrets to living longer, healthier lives. Discover the reasons we suffer and how to finally heal from more than two dozen common conditions: ACHES & PAINS ADHD ADRENAL FATIGUE AGING ALZHEIMER'S AUTISM AUTOIMMUNE DISEASE BELL'S PALSY BRAIN FOG CANDIDA CHRONIC FATIGUE SYNDROME COLITIS DEPRESSION & ANXIETY DIABETES & HYPOGLYCEMIA DIGESTIVE DISORDERS DIZZINESS EPSTEIN-BARR VIRUS FIBROMYALGIA FROZEN SHOULDER INFLAMMATION LEAKY GUT SYNDROME LUPUS LYME DISEASE MENOPAUSAL SYMPTOMS MIGRAINES & HEADACHES MULTIPLE SCLEROSIS NEUROLOGICAL SYMPTOMS PMS POSTPARTUM FATIGUE PTSD RHEUMATOID ARTHRITIS SHINGLES THYROID DISORDERS TINGLES & NUMBNESS TMJ & JAW PAIN VERTIGO & TINNITUS "The truth about the world, ourselves, life, purpose--it all comes down to healing," Anthony William writes. Phallus - Michael Hone 2017-03-29

As hard as marble, upright like a spur, a sword, a dagger, the giver of infinite pleasure and unique procreator, a source of immense comfort at boyhood, perhaps even a boy's very first true happiness, free, disinterested and supremely loyal. In dark moments, who better to turn to for solace? Stress vanishes, the body is wracked by a wondrous sensation, and the visible proof of manhood, the lakes and rivers covering the still-shuddering abdomen, glisten amidst the sweat. It is a boy's first and only true mate, one the boy will share with glee, but even after an evening of wild debauch, it'll return home with the guy that brought him. Always. The fixation on the male member, the answer to the "Whys" of our obsession concerning it, and that throughout the ages, is the basis of this book. We'll examine it through historical figures, Alcibiades for the Greeks, Priapus for the Romans, François I for France, Casanova for Venice, Byron will guide us through English Romanticism and Howard Hughes will represent America. We'll learn how to lengthen it, to really lengthen it, and how to restore the foreskin of those mutilated in infancy. We'll discover the benefits of that purest of elixirs, semen. Male nudity throughout time will be developed--how boys displayed their assets in Greek gymnasiums and Roman baths, baths in which men generously endowed were applauded, to the Renaissance where boys were the most brazen in their public eroticism, followed by pre-Elizabethan codpieces, and today's jocks and briefs. Phallic worship begins at birth, when the child in ancient times was laid at the father's feet and the tiny blanket opened. At the sight of the scepter the father would gratefully raise the boy above his head, to the full approval of those attending, for the scepter was the incontestable emblem that the child would grow into an oak, tall, strong and virile, who would be the power over the household were he born in a village, over a domain were his parents noble, or over the world itself, as was the destiny of Cyrus, Alexander and Caesar. He had the potential of becoming the intellectual

Nietzsche had been, an artist like da Vinci and Michelangelo, an historian as was Herodotus, a writer like Homer and Shakespeare, a mathematician, an explorer, the first man to step foot on Mars. The father would now live eternally--a man's single and only true promise of an afterlife--through the thighs of the son in his arms, a boy who will perpetuate his name and his place in the universe, until the universe no longer exists. It is this, the covenant of the boy and his scepter, in times barbarous and in times enlightened. It is this the immutable promise of the phallus. This book is written about men and is for men, especially omnisexual men.

Gravity's Rainbow - Thomas Pynchon 2012-06-13

Winner of the 1974 National Book Award "A screaming comes across the sky. . ." A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as "the most profound and accomplished American novel since the end of World War II."

The Luminaries - Eleanor Catton 2013-10-15

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at

once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

Pastrix - Nadia Bolz-Weber 2013-09-10

Now a New York Times bestselling author, Nadia Bolz-Weber takes no prisoners as she reclaims the term "pastrix" (pronounced "pas-triks," a term used by some Christians who refuse to recognize female pastors) in her messy, beautiful, prayer-and-profanity laden narrative about an unconventional life of faith. Heavily tattooed and loud-mouthed, Nadia, a former stand-up comic, sure as hell didn't consider herself to be religious leader material—until the day she ended up leading a friend's funeral in a smoky downtown comedy club. Surrounded by fellow alcoholics, depressives, and cynics, she realized: These were her people. Maybe she was meant to be their pastor. Using life stories—from living in a hopeful-but-haggard commune of slackers and her unusual but undeniable spiritual calling to her experiences pastoring people from all walks of life—and poignant honesty, Nadia portrays a woman who is both deeply faithful and deeply flawed, giving hope to the rest of us along the way. Wildly entertaining and deeply resonant, this is the book for people who hunger for a bit of hope that doesn't come from vapid consumerism; for women who talk too loud and guys who love chick flicks; and for the gay person who loves Jesus and won't be shunned by the church. In short, this book is for every misfit suspicious of institutionalized religion but who is still seeking transcendence and mystery.

Evil Twins - John Glatt 1999-05-15

They give a whole new meaning to the phrase "Dead Ringers" Identical twins, with the exact same genetic information, are a fascinating study in human behavior. It is a known fact that when separated at birth, they will often end up with very similar lives, without ever having met one another. So it seems to follow that if one twin turns out to be a "bad seed," the other will also go to the dark side. The shocking stories in *Evil Twins* prove this to be the case time and time again. And even more astounding are stories of twins turning upon each other in furious rivalries that may date back to the womb. Here is just a sampling of the

compelling true stories about evil twins: Sins of the mothers: Harvard-educated chemical engineer Jane Hopkins stabbed her two young children to death before killing herself-six years after her twin sister Jean had tried to poison her own two children... My brother's killer: Identical twins Jeff and Greg Henry were close as brothers could be, inventing their own language and often exchanging identities. But they grew up to become violent alcoholics, and on one fateful binge, Jeff turned on his own twin brother and shot him in the heart with a shotgun... Loathsome Lotharios: Handsome, charming twin brothers George and Stefan Spitzer went to Hollywood to become famous actors. But their movie-star good looks never landed them any parts-except in the lurid home movies they shot of themselves raping the unconscious women they doped up on "Roofies"... Evil twins: Double the deadliness...with eight pages of shocking photos!

The Ultimate Penis Book Guide - Vincent Brown Rnd 2021-01-12

The penis is a sex organ which is partly inside and outside of the body and used for sex as well as urinating (going to the toilet). The penis reaches its full size during puberty and all penis vary in shape and size. We admit it, vaginas are tough to figure out, even for those of us who have one. But penises? As straightforward as it may appear, the male member can be pretty damn mysterious. Why is it always hard in the morning? What's with circumcision? What makes it go soft in the middle of sex sometimes? And why is size such a huge issue among otherwise secure guys who should be rocking BDE? To help you get a handle on all things penis health-related, we consulted doctors who specialize in male sexuality and urology and asked them to shed light on the questions and topics you just don't want to ask about. For more information about Penis; how to take care of it, its concitions and so on.The foreskin is a sleeve of skin that surrounds the head of the penis. When you get an erection, the foreskin stretches. The head of the penis is then completely exposed. In some cases, the foreskin can be tight. If there seems to be a problem and it is uncomfortable when the foreskin stretches you should consider talking to a doctor. Circumcision is the removal of the foreskin, it is a simple operation and may be done for religious or medical reasons,

but it doesn't affect the way the penis works.

The Plot Against America - Philip Roth 2004-10-05

Philip Roth's bestselling alternate history—the chilling story of what

happens to one family when America elects a charismatic, isolationist president—is soon to be an HBO limited series. In an extraordinary feat of narrative invention, Philip Roth imagines an alternate history where Franklin D. Roosevelt loses the 1940 presidential election to heroic aviator and rabid isolationist Charles A. Lindbergh. Shortly thereafter, Lindbergh negotiates a cordial “understanding” with Adolf Hitler, while the new government embarks on a program of folksy anti-Semitism. For one boy growing up in Newark, Lindbergh’s election is the first in a series of ruptures that threaten to destroy his small, safe corner of America—and with it, his mother, his father, and his older brother. "A terrific political novel . . . Sinister, vivid, dreamlike . . . creepily plausible. . . You turn the pages, astonished and frightened." — The New York Times Book Review

Making Up - Helena Hunting 2019-07-16

A new standalone, laugh-out-loud romantic comedy by New York Times bestselling author Helena Hunting. Cosy Felton is great at her job—she knows just how to handle the awkwardness that comes with working at an adult toy store. So when the hottest guy she’s ever seen walks into the shop looking completely overwhelmed, she’s more than happy to turn on the charm and help him purchase all of the items on his list. Griffin Mills is using his business trip in Las Vegas as a chance to escape the broken pieces of his life in New York City. The last thing he wants is to be put in charge of buying gag gifts for his friend’s bachelor party. Despite being totally out of his element, and mortified by the whole experience, Griffin is pleasantly surprised when he finds himself attracted to the sales girl that helped him. As skeptical as Cosy may be of Griffin’s motivations, there’s something about him that intrigues her. But sometimes what happens in Vegas doesn’t always stay in Vegas and when real life gets in the way, all bets are off. Filled with hilariously awkward situations and enough sexual chemistry to power Sin City, *Making Up* is the next standalone in the *Shacking Up* world.

The Pleasures of Testicles: - James L. Riedy 2013-01-31

Arguably the ugliest but most functional device in the human body—symbols of manliness, objects of ribald humor and obscenities,

imparting sexual pleasure and ensuring the continuation of the human race—the testicles (or balls, eggs, bullocks, stones, nuts . . . whatever you’re inclined to call them) have been all but totally ignored in the writings of even internationally celebrated sex authorities. *The Pleasures of Testicles* exams these under-appreciated hallmarks of male sexuality from all angles. Entertaining, provocative, and hilarious, drawing on information from sources as diverse as ancient history and modern online chat groups, this book covers every possible aspect of pleasure relating to the testicles, from visual enhancements to the most shocking of intimate acts. If you’re ready for sexual adventure and education, or you’re just curious, *The Pleasures of Testicles* will give you a wealth of information . . . and plenty of ideas you can put into action to more thoroughly enjoy the amazing jewels that make the man.

Pirate Cinema - Cory Doctorow 2012-10-02

From the New York Times bestselling author of *Little Brother*, Cory Doctorow, comes *Pirate Cinema*, a new tale of a brilliant hacker runaway who finds himself standing up to tyranny. Trent McCauley is sixteen, brilliant, and obsessed with one thing: making movies on his computer by reassembling footage from popular films he downloads from the net. In the dystopian near-future Britain where Trent is growing up, this is more illegal than ever; the punishment for being caught three times is that your entire household's access to the internet is cut off for a year, with

no appeal. Trent's too clever for that too happen. Except it does, and it nearly destroys his family. Shamed and shattered, Trent runs away to London, where he slowly learns the ways of staying alive on the streets. This brings him in touch with a demimonde of artists and activists who are trying to fight a new bill that will criminalize even more harmless internet creativity, making felons of millions of British citizens at a stroke. Things look bad. Parliament is in power of a few wealthy media conglomerates. But the powers-that-be haven't entirely reckoned with the power of a gripping movie to change people's minds.... The Ghost - Jefferson Morley 2017-10-24

"The best book ever written about the strangest CIA chief who ever lived." - Tim Weiner, National Book Award-winning author of *Legacy of Ashes* A revelatory new biography of the sinister, powerful, and paranoid man at the heart of the CIA for more than three tumultuous decades. CIA spymaster James Jesus Angleton was one of the most powerful unelected officials in the United States government in the mid-20th century, a

ghost of American power. From World War II to the Cold War, Angleton operated beyond the view of the public, Congress, and even the president. He unwittingly shared intelligence secrets with Soviet spy Kim Philby, a member of the notorious Cambridge spy ring. He launched mass surveillance by opening the mail of hundreds of thousands of Americans. He abetted a scheme to aid Israel's own nuclear efforts, disregarding U.S. security. He committed perjury and obstructed the JFK assassination investigation. He oversaw a massive spying operation on the antiwar and black nationalist movements and he initiated an obsessive search for communist moles that nearly destroyed the Agency. In *The Ghost*, investigative reporter Jefferson Morley tells Angleton's dramatic story, from his friendship with the poet Ezra Pound through the underground gay milieu of mid-century Washington to the Kennedy assassination to the Watergate scandal. From the agency's MKULTRA mind-control experiments to the wars of the Mideast, Angleton wielded far more power than anyone knew. Yet during his seemingly lawless reign in the CIA, he also proved himself to be a formidable adversary to our nation's enemies, acquiring a mythic stature within the CIA that continues to this day.
