All Men of Genius - Lev A. C. Rosen 2011-09-27

Inspired by two of the most beloved works by literary masters, All Men of Genius takes place in an alternate Steampunk Victorian London, where science makes the impossible possible. Violet Adams wants to attend Illyria College, a widely renowned school for the most brilliant up-and-coming scientific minds, founded by the late Duke Illyria, the greatest scientist of the Victorian Age. The school is run by his son, Ernest, who has held to his father's policy that the small, exclusive college remain male-only. Violet sees her opportunity when her father departs for America. She disguises herself as her twin brother, Ashton, and gains entry. But keeping the secret of her sex won't be easy, not with her friend Jack's constant habit of pulling pranks, and especially not when the duke's young ward, Cecily, starts to develop feelings for Violet's alter ego, "Ashton." Not to mention blackmail, mysterious killer automata, and the way Violet's pulse quickens whenever the young duke, Ernest (who has a secret past of his own), speaks to her. She soon realizes that it's not just keeping her secret until the end of the year faire she has to worry about: it's surviving that long. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

THE GREAT GATSBY - F. SCOTT FITZGERALD 2022

Lost Crow Conspiracy (Blood Rose Rebellion, Book 2) - Rosalyn Eves 2018-03-27

Lost Crow Conspiracy is the dark, dazzling, action-packed sequel to Anna Arden's explosive societal debut in YA fantasy trilogy Blood Rose Rebellion. Sixteen-year old Anna Arden was once just the magically barren girl from an elite Luminate family. Now she has broken the Binding--and Praetheria, the creatures held captive by the spell, wreak havoc across Europe. Lower-class citizens have access to magic for the first time, while other Luminates lose theirs forever. Austria and Hungary are at odds once more. Anna Arden did not know breaking the Binding would break the world. Anna thought the Praetheria were on her side, content and grateful to be free from the Binding. She thought her cousin Matyas's blood sacrifice to the disarm the spell would bring peace, equality, justice. She thought her future looked like a society that would let her love a Romani boy, Gabor. But with the Monarchy breathing down her neck and the Praetheria intimidating her at every turn, it seems the conspiracies have only just begun. As threat of war

sweeps the region, Anna quickly discovers she can't solve everything on her own. Now there's only one other person who might be able to save the country before war breaks out. The one person Anna was sure she'd never see again. A bandit. A fellow outlaw. A man known as the King of Crows. Matyas.

Musculoskeletal Disorders and the Workplace - Institute of Medicine 2001-06-24

Every year workers' low-back, hand, and arm problems lead to time away from jobs and reduce the nation's economic productivity. The connection of these problems to workplace activities—from carrying boxes to lifting patients to pounding computer keyboards—is the subject of major disagreements among workers, employers, advocacy groups, and researchers. Musculoskeletal Disorders and the Workplace examines the scientific basis for connecting musculoskeletal disorders with the workplace, considering people, job tasks, and work environments. A multidisciplinary panel draws conclusions about the likelihood of causal links and the effectiveness of various intervention strategies. The panel also offers recommendations for what actions can be considered on the basis of current information and for closing information gaps. This book presents the latest information on the prevalence, incidence, and costs of musculoskeletal disorders and identifies factors that influence injury reporting. It reviews the broad scope of evidence: epidemiological studies of physical and psychosocial variables, basic biology, biomechanics, and physical and behavioral responses to stress. Given the magnitude of the problem—approximately 1 million people miss some work each year—and the current trends in workplace practices, this volume will be a must for advocates for workplace health, policy makers, employers, employees, medical professionals, engineers, lawyers, and labor officials.

Appalachian Home Cooking - Mark F. Sohn 2005-10-28

Mark F. Sohn's classic book, Mountain Country Cooking, was a James Beard Award nominee in 1997. In Appalachian Home Cooking, Sohn expands and improves upon his earlier work by using his extensive knowledge of cooking to uncover the romantic secrets of Appalachian food, both within and beyond the kitchen. Shedding new light on Appalachia's food, history, and culture, Sohn offers over eighty classic recipes, as well as photographs, poetry, mail-order sources, information on Appalachian food festivals, a glossary of Appalachian and cooking terms, menus for holidays and seasons, and lists of the top Appalachian foods. Appalachian Home Cooking celebrates mountain food at its best.

How to Read Literature Like a Professor Revised - Thomas C. Foster 2014-02-25

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated

teaching points that Foster has developed over the past decade.

Alien Conqueror - Sara Fields 2021-12-12

His species conquered Earth, leaving only small groups of human rebels left. I am one of the few who still fight on, and the mission on which I've been sent has only one objective. To kill him.

Nothing Like It In the World - Stephen E. Ambrose 2001-11-06

Chronicles the race to finish the transcontinental railroad in the 1860s and the exploits, sacrifices, triumphs, and tragedies of the individuals who made it happen.

Ready Player One - Ernest Cline 2011-08-16

#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg.

"Enchanting . . . Willy Wonka meets The Matrix."—USA Today • "As one adventure leads expertly to the next, time simply evaporates."—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he's jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he's beset by rivals who'll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club "Delightful . . . the grown-up's Harry Potter."—HuffPost "An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart."—CNN "A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader."—Boston Globe "Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that's both hilarious and compassionate."—NPR "[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own."—iO9

Girls with Razor Hearts - Suzanne Young 2020-03-17

It's time to fight back in this second novel in a thrilling, subversive near future series from New York Times bestselling author Suzanne Young about a girls-only private high school that is far more than it appears to be. Make me a girl with a razor heart... It's been weeks since Mena and the other girls of Innovations Academy escaped their elite boarding school. Although traumatized by the violence and experimentations that occurred there, Mena quickly discovers that the outside world can be just as unwelcoming and cruel. With no one else to turn to, the girls only have each other—and the revenge-fueled desire to shut down the corporation that imprisoned them. The girls enroll in Ridgeview Prep, a private school with suspect connections to Innovations, to identify the son of an investor and take down the corporation from the inside. But with pressure from Leandra, who revealed herself to be a double-agent, and Winston Weeks, an academy investor gone rogue, Mena wonders if she and her friends are simply trading one form of control for another. Not to mention the woman who is quite literally invading Mena's thoughts—a woman with extreme ideas that both frighten and intrigue Mena. And as the girls fight for freedom from their past—and freedom for the girls still at Innovations—they must also face new questions about their existence...and what it means to be girls with razor hearts.

Paper Towns - John Green 2013

Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. Burning Wild - Christine Feehan 2009-04-28

Experience the feral passion of the Leopard people in this thrilling novel from #1 New York Times bestselling author Christine Feehan. Bred by capricious parents for his innate leopard-shifting abilities, billionaire Jake Bannacotti has spent his life in an emotional vacuum—especially after a tragic twist of fate left him to raise his infant son alone. But when his path crosses that of an enigmatic young woman, Jake's life takes a detour he never fathomed. There is something irresistible about Emma Reynolds—something Jake can't live without. Hiring her as his son's nanny will keep her close. And warm. And under watch. She's the first human to stir something in Jake he's never felt before. But she may not be at all what she seems. And what's raging between them is pure animal instinct—out of control, burning wild, and as hot as the lick of a flame.

Dawn Song - Michael Marano 2014-06-17

Lawrence, a lonely book clerk, new to Boston, is just one wanting soul in a city full of them. His deepest desires call out to someone . . . anyone. the Succubus, who is both ancient and newborn, falls in love with the city even as she reaps the souls of her lovers.

The Westing Game - Ellen Raskin 2020-10-13

BE CLASSIC with The Westing Game, introduced by New York Times bestselling author Mac Barnett. A highly inventive mystery begins when sixteen unlikely people gather for the reading of the very stranger will of the very read Samuel W. Westing. They could become millionaires, depending on how they play a game. All they have to do is find the answer - but the answer to what? The Westing game is tricky and dangerous, but the heirs play on - through blizzards, burglaries, and bombings, Sam Westing may be dead ... but that won't stop him from playing one last game! Winner of the Newbery Medal Winner of the Boston Globe/Horn Book Award An ALA Notable Book A School Library Journal One Hundred Books That Shaped the Century "A supersharp mystery...confoundingly clever, and very funny." —Booklist, starred review "Great fun for those who enjoy illusion, word play, or sleight of hand." —The New York Times Book Review "A fascinating medley of word games, disguises, multiple aliases, and subterfuges—a demanding but rewarding book." —The Horn Book

The Book of the Damned - Charles Fort 1972

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

Wicked Player - Stacey Lynn 2019-01-14

Gage Bryant has the best hands and the quickest feet of any wide receiver in football. He also has a secret--one he'll do anything to protect. He's a member of The Velvet Club. With airtight non disclosure agreements, playing at Velvet gives him the freedom to assert his dominance and control in a way that not only serves him on the football field, but the way he craves in the bedroom. What he doesn't expect is for his most recent partner to be one of the reporters assigned to follow him around in the weeks before he opens a new wing at the local children's hospital. When it's clear Elizabeth Hayes has no idea he's the man who had her blindfolded and bound beneath him, Gage realizes things just got a lot more interesting. He can have her body at night, giving her all the pleasure she begs for in a way he needs. And he can keep his heart, as well as his identity, out of their encounters. After all, the absolute worst thing that could happen would be to have this sexy little reporter reveal how wicked he truly is.

Dominance - Will Lavender 2012-09-11

Attending a controversial literary mystery night class taught by a professor who has been convicted of murder, prize student Alex Shipley unravels an elaborate literary hoax that acquits the teacher only to be targeted along with her fellow students 15 years later by a determined killer. By the best-selling author of *Obedience*.

Enduring Truth - Aaron E. Lavender 2016-09-15

Enduring Truth argues that faithfulness to Scripture is the solution to a "crisis" among African American preaching. Though misinterpreting God's Word is not restricted to one race or culture, author Aaron Lavender identifies three factors that have precipitated the decline of black preaching specifically: racial segregation, black liberation theology, and prosperity theology. The book's first chapter recounts the history of the crisis, noting how discrimination in theological education led black ministers to liberal colleges and seminaries that prophetically confronted Jim Crow but taught the social gospel and other forms of theological error. Such schools ultimately were harmful to the spiritual health of black churches. Subsequent chapters discuss the role of biblical exegesis in preaching, develop a theology of preaching, and suggest preaching methods for the postmodern world. Every biblical text has one meaning, according to Lavender. The preacher's job is to determine and communicate that meaning, then show its relevance in the cultural context of his hearers. Proof-texting and relativism, Lavender writes, are two great enemies of biblical preaching. While focused on the African American context, this volume addresses topics relevant to all preachers. *Enduring Truth* is suited both for ministry practitioners and preaching courses. It will help readers elevate the Word of God over the worldly allures of any ministry setting.

Shifting Shadows - Patricia Briggs 2014-09-02

Shapeshifter Mercy Thompson has friends in high places—and in low, dark, scary ones. And in this must-have collection of short stories, you'll meet new faces and catch up with old acquaintances—in all their forms... Includes the new stories... "Silver" "Roses in Winter" "Redemption" "Hollow" ...and reader favorites "Fairy Gifts" "Gray" "Seeing Eye" "Alpha and Omega" "The Star of David" "In Red, with Pearls" "One of the best urban fantasy anthologies I've ever read."—The BiblioSanctum

Language and Woman's Place - Robin Tolmach Lakoff 2004-07-22

The 1975 publication of Robin Tolmach Lakoff's *Language and Woman's Place*, is widely recognized as having inaugurated feminist research on the relationship between language and gender, touching off a remarkable response among language scholars, feminists, and general readers. For the past thirty years, scholars of language and gender have been debating and developing Lakoff's initial observations. Arguing that language is fundamental to gender inequality, Lakoff pointed to two areas in which inequalities can be found: Language used about women, such as the asymmetries between seemingly parallel terms like master and mistress, and language used by women, which places women in a double bind between being appropriately feminine and being fully human. Lakoff's central argument that "women's language" expresses powerlessness triggered a controversy that continues to this day. The revised and expanded edition presents the full text of the original first edition, along with an introduction and annotations by Lakoff in which she reflects on the text a quarter century later and expands on some of the most widely discussed issues it raises. The volume also brings together commentaries from twenty-six leading scholars of language, gender, and sexuality, within linguistics, anthropology, modern languages, education, information sciences, and other disciplines. The commentaries discuss the book's contribution to feminist research on language and explore its ongoing relevance for scholarship in the field. This new edition of *Language and Woman's Place* not only makes available once again the pioneering text of feminist linguistics; just as important, it places the text in the context of contemporary feminist and gender theory for a new generation of readers.

July's People - Nadine Gordimer 2012-03-15

For years, it has been what is called a 'deteriorating situation'. Now all over South Africa the cities are battlegrounds. The members of the Smales family - liberal whites - are rescued from the terror by their servant, July, who leads them to refuge in his native village. What happens to the Smaleses and to July - the shifts in character and relationships - gives us an unforgettable look into the terrifying, tacit understandings and misunderstandings between blacks and whites.

Obedience - Will Lavender 2008-02-19

"With superb confidence, Lavender constructs a brilliant fictional web of lies, inventively warping the psychological thriller to fit the confines of a scholarly investigation." —Kirkus Reviews When the students in Winchester University's Logic and Reasoning 204 arrive for their first day of class, they are greeted not with a syllabus or texts, but with a startling assignment from Professor Williams: Find a hypothetical missing girl named Polly. If after being given a series of clues and details the class has not found her before the end of the term in six weeks, she will be murdered. At first the students are as intrigued by the premise of their puzzle as they are wary of the strange and slightly creepy Professor Williams. But as they delve deeper into the mystery, they begin to wonder: Is the Polly story simply a logic exercise, designed to teach them rational thinking skills, or could it be something more sinister and dangerous? The mystery soon takes over the lives of three students as they find disturbing connections between Polly and themselves. Characters that were supposedly fictitious begin to emerge in reality. Soon, the boundary between the classroom assignment and the real world becomes blurred—and the students wonder if it is their own lives they are being asked to save. From the Hardcover edition.

Parable of the Sower - Octavia E. Butler 2012-07-24

A New York Times Notable Book: In 2025, with the world descending into madness and anarchy, one woman begins a fateful journey toward a better future. "A stunner." —Flea, musician and actor, *The Wall Street Journal* Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of others. When fire destroys their compound, Lauren's family is killed and she is forced out into a world that is fraught with danger. With a handful of other refugees, Lauren must make her way north to safety, along the way conceiving a revolutionary idea that may mean salvation for all mankind. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

The Panther - Nelson DeMille 2012-10-16

#1 NEW YORK TIMES BESTSELLER "Bracing and spectacular." - Providence Sunday Journal Anti-Terrorist Task Force agent John Corey and his wife, FBI agent Kate Mayfield, have been posted overseas to Sana'a, Yemen—one of the most dangerous places in the Middle East. While there, they will be working with a small team to track down one of the masterminds behind the USS Cole bombing: a high-ranking Al Qaeda operative known as The Panther. Ruthless and elusive, he's wanted for multiple terrorist acts and murders—and the U.S. government is determined to bring him down, no matter the cost. As latecomers to a deadly game, John and Kate don't know the rules, the players, or the score. What they do know is that there is more to their assignment than meets the eye—and that the hunters are about to become the hunted. Filled with breathtaking plot turns and told in John Corey's inimitable voice, *THE PANTHER* raises disturbing questions about whether we can ever know who our enemies - or our allies - really are.

Lavender and Red - Emily K. Hobson 2016-10-04

LGBT activism is often imagined as a self-contained struggle, inspired by but set apart from other social movements. *Lavender and Red* recounts a far different story: a history of queer radicals who understood their sexual liberation as intertwined with solidarity against imperialism, war, and racism. This politics was born in the late 1960s but survived well past Stonewall, propelling a gay and lesbian left that flourished through the end of the Cold War. The gay and lesbian left found its center in the San Francisco Bay Area, a place where sexual self-determination and revolutionary internationalism converged. Across the 1970s, its activists embraced socialist and women of color feminism and crafted queer opposition to militarism and the New Right. In the Reagan years, they challenged U.S. intervention in Central America, collaborated with their peers in Nicaragua, and mentored the first direct action against AIDS. Bringing together archival research, oral histories, and vibrant images, Emily K. Hobson rediscovers the radical queer past for a generation of activists today.

Body Butter - Body Butter 2014-08-11

Body Butter DIY Body Butter Guide and Awesome Body Butter Recipes Anyone who has ever tried body butter knows the luscious, skin-softening properties it possesses. Unfortunately, commercial body butter

typically comes along with a high price tag and chemical ingredients that you wouldn't want to place on your skin. For those interested in a better option, make your own homemade body butter! Table of Contents Introduction Chapter 1 - Basic Ingredients and Tools Chapter 2 - Storing the Body Butter Chapter 3 - Shelf Life of Body Butter Chapter 4 - Body Butter Recipes Chapter 5 - Tips and Considerations Conclusion

I Will Never See the World Again - Ahmet Altan 2019-10-01

Best Book of the Year - Bloomberg News A resilient Turkish writer's inspiring account of his imprisonment that provides crucial insight into political censorship amidst the global rise of authoritarianism. The destiny I put down in my novel has become mine. I am now under arrest like the hero I created years ago. I await the decision that will determine my future, just as he awaited his. I am unaware of my destiny, which has perhaps already been decided, just as he was unaware of his. I suffer the pathetic torment of profound helplessness, just as he did. Like a cursed oracle, I foresaw my future years ago not knowing that it was my own. Confined in a cell four meters long, imprisoned on absurd, Kafkaesque charges, novelist Ahmet Altan is one of many writers persecuted by Recep Tayyip Erdoğan's oppressive regime. In this extraordinary memoir, written from his prison cell, Altan reflects upon his sentence, on a life whittled down to a courtyard covered by bars, and on the hope and solace a writer's mind can provide, even in the darkest places.

The Black Witch - Laurie Forest 2017-05-02

The New York Times bestselling series! "Maximum suspense, unusual magic—a whole new, thrilling approach to fantasy!" —Tamora Pierce, #1 New York Times bestselling author Powerful magic. A deadly legacy. A world at the edge of war. Prepare to be spellbound by *The Black Witch*. Elloren Gardner is the spitting image of her grandmother, who drove back the enemy forces in the last Realm War. But while her people believe she will follow in her grandmother's footsteps and become the next Black Witch of prophecy, Elloren is devoid of power in a society that prizes magical ability above all else. When she is granted the opportunity to pursue her dream of becoming an apothecary, Elloren joins her brothers at Verpax University. But she soon realizes that the university may be the most treacherous place of all for the granddaughter of the Black Witch. As evil looms and the pressure to live up to her heritage builds, Elloren's best hope of survival may be among a secret band of rebels...if only she can find the courage to trust those she's been taught to fear. Critics are raving about Laurie Forest's incredible debut, *The Black Witch*: "Forest uses a richly imagined magical world to offer an uncompromising condemnation of prejudice and injustice." —Booklist, starred review "Exquisite character work, an elaborate mythology, and a spectacularly rendered universe make this a noteworthy debut, which argues passionately against fascism and xenophobia." —Publishers Weekly, starred review "Briskly paced, tightly plotted...set in a rich alternative universe with a complicated history that can help us better understand our own." —Kirkus Reviews, starred review *Books in The Black Witch Chronicles: The Black Witch The Iron Flower The Shadow Wand The Demon Tide Wandfasted (ebook novella)* Light Mage (ebook novella)** Also available in print in The Rebel Mages anthology*

Trends and Advances in Veterinary Genetics - Muhammad Abubakar 2017-03-22

It is very important to understand the recent advances and basic concepts of veterinary genetics to explore the possibilities for control of diseases in animals. They are also significant for enhancing animal production and reproduction. Our book *Trends and Advances in Veterinary Genetics* provides a concise introduction and details to the aspects of genetics relevant to animal science and production. This is the first edition of the book so it covers the introductory level of topics which are ideal for veterinary students, classroom use, and practitioners who require more guidance with genetics. The book coverage includes the following main sections: Biotechnology and Reproductive Genetics, Advances in Embryonic Genetics, Conservation and Basic Genetics, and Veterinary Genetics and Future. Each book section comprises two chapters from renowned experts from the area and gives readers a unique opportunity to explore the topic.

Feminism, the Family, and the Politics of the Closet - Cheshire Calhoun 2000-09-07

Feminism, the Family, and the Politics of the Closet is about placing sexual orientation politics within feminist theorizing. It is also about defining the central political issues confronting lesbians and gay men. The book brings the study of lesbians from the margins of feminist theory to the center by critiquing the

analytic frameworks employed within feminist theory that renders invisible lesbians' difference from heterosexual women. This book also outlines the basic features of lesbian and gay subordination by exploring the differences between heterosexual dominance and gender and race relations. Throughout, Calhoun aims to re-center lesbian and gay politics away from concerns with sexual regulations and toward concern with the displacement of gays and lesbians from the public sphere of visible citizenship and from the private sphere of romance, marriage, and family.

Shake Off - Mischa Hiller 2012-08-14

An internationally acclaimed thriller of love, espionage and subterfuge, in which Middle East meets West with dangerous consequences. Years of training have transformed Michel Khoury into a skilled intelligence operative. A refugee whose family was murdered by extremists, he has one mission: the peaceful resolution of the Middle East conflict that upended his life. An alluring enigma, he attracts the attention of Helen, a pretty English girl who lives in the adjacent apartment. As their relationship develops, Michel is unable to tell Helen about his past—or the collection of passports and unmarked bills he's concealed in the bathroom they share. When Michel's secrets turn deadly, Helen and Michel find themselves pursued through the streets of London, Berlin and the Scottish countryside, on the run from the very people they thought they could trust. A critically celebrated novel that "recalls the cool detachment and compelling eye for ordinary detail that characterized the early thrillers of Graham Greene" (Independent on Sunday), *SHAKE OFF* is that rare breed of riveting tale—of intrigue and suspense, love and betrayal—that announces a bold new voice for our increasingly global times.

Dominance - Will Lavender 2011-07-05

THE PROCEDURE HAS BEGUN . . . Fifteen years earlier, Jasper College is buzzing with the news that famed literature professor Richard Aldiss will be teaching a special night class called *Unraveling a Literary Mystery*—from a video feed in his prison cell. In 1982, Aldiss was convicted of the murders of two female grad students; the women were killed with axe blows and their bodies decorated with the novels of notoriously reclusive author Paul Fallows. Even the most obsessive Fallows scholars have never seen him. He is like a ghost. Aldiss entreats the students of his night class to solve the Fallows riddle once and for all. The author's two published novels, *The Coil* and *The Golden Silence*, are considered maps to finding Fallows's true identity. And the only way in is to master them through a game called the Procedure. You may not know when the game has begun, but when you receive an invitation to play, it is an invitation to join the elite ranks of Fallows scholars. Failure, in these circles, is a fate worse than death. Soon, members of the night class will be invited to play along . . . Present day. Harvard professor Alex Shipley made her name as a member of Aldiss's night class. She not only exposed the truth of Paul Fallows's identity, but in the process uncovered information that acquitted Aldiss of the heinous 1982 crimes. But when one of her fellow night class alums is murdered—the body chopped up with an axe and surrounded by Fallows novels—can she use what she knows about Fallows and the Procedure to stop a killer before each of her former classmates is picked off, one by one?

The Hills at Home - Nancy Clark 2007-12-18

While always well-stocked with clean sheets, Lily Hill is not expecting visitors. At least not in the numbers that descend upon her genteely dilapidated New England ancestral home in the summer of '89. Brother Harvey arrives first, thrice-widowed and eager for company; then perennially self-dramatizing niece Ginger and her teenaged daughter Betsy; then Alden, just laid-off from Wall Street, with his wife Becky, and their rowdy brood of four . . . As summer fades into fall, it becomes clear that no one intends to leave. But just as Lily's industrious hospitality gives way to a somewhat strained domestic routine, the Hill clan must face new challenges together. Brimming with wit and a compendium of Yankee curiosities, *The Hills at Home* is an irresistible modern take on an old-fashioned comedy of manners.

Fire from Heaven - Mary Renault 2013-09-10

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light." Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his

dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone’s life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

The Descartes Circle - Will Lavender 2013

Google and the Myth of Universal Knowledge - Ian Wilson 2011-08-22

The recent announcement that Google would digitize the holdings of several major libraries sent shock waves through the book industry and academe. Google presented this digital repository as a first step towards a long - dreamed - of universal library, but skeptics were quick to raise a number of concerns about the potential for copyright infrin...

Black and Brown Planets - Isiah Lavender III 2014-09-25

Black and Brown Planets embarks on a timely exploration of the American obsession with color in its look at the sometimes contrary intersections of politics and race in science fiction. The contributors, including De Witt D. Kilgore, Edward James, Lisa Yaszek, and Marleen S. Barr, among others, explore science fiction worlds of possibility (literature, television, and film), lifting blacks, Latin Americans, and indigenous peoples out from the background of this historically white genre. This collection considers the role of race and ethnicity in our visions of the future. The first section emphasizes the political elements of black identity portrayed in science fiction from black America to the vast reaches of interstellar space framed by racial history. In the next section, analysis of indigenous science fiction addresses the effects of

colonization, helps discard the emotional and psychological baggage carried from its impact, and recovers ancestral traditions in order to adapt in a post-Native-apocalyptic world. Likewise, this section explores the affinity between science fiction and subjectivity in Latin American cultures from the role of science and industrialization to the effects of being in and moving between two cultures. By infusing more color in this otherwise monochrome genre, *Black and Brown Planets* imagines alternate racial galaxies with viable political futures in which people of color determine human destiny.

The Way to the Western Sea - David Sievert Lavender 2001-01-01

Think Like a Feminist: The Philosophy Behind the Revolution - Carol Hay 2020-09-01

An audacious and accessible guide to feminist philosophy—its origins, its key ideas, and its latest directions. *Think Like a Feminist* is an irreverent yet rigorous primer that unpacks over two hundred years of feminist thought. In a time when the word feminism triggers all sorts of responses, many of them conflicting and misinformed, Professor Carol Hay provides this balanced, clarifying, and inspiring examination of what it truly means to be a feminist today. She takes the reader from conceptual questions of sex, gender, intersectionality, and oppression to the practicalities of talking to children, navigating consent, and fighting for adequate space on public transit, without deviating from her clear, accessible, conversational tone. *Think Like a Feminist* is equally a feminist starter kit and an advanced refresher course, connecting longstanding controversies to today’s headlines. *Think Like a Feminist* takes on many of the essential questions that feminism has risen up to answer: Is it nature or nurture that’s responsible for our gender roles and identities? How is sexism connected to racism, classism, homophobia, transphobia, and other forms of oppression? Who counts as a woman, and who gets to decide? Why have men gotten away with rape and other forms of sexual violence for so long? What responsibility do women themselves bear for maintaining sexism? What, if anything, can we do to make society respond to women’s needs and desires? Ferocious, insightful, practical, and unapologetically opinionated, *Think Like a Feminist* is the perfect book for anyone who wants to understand the continuing effects of misogyny in society. By exploring the philosophy underlying the feminist movement, Carol Hay brings today’s feminism into focus, so we can deliberately shape the feminist future.
