Professor G.P. Singh Tries To Crystallize The Political Thought-Processes Accompanying The Evolution Of State In The Bygone Centuries. He Dwells On The Time-Honoured Components Of The Saptanga Theory And Their Role In Supporting The State.

Kautilya and Non-Western IR Theory - Deepshikha Shahi 2018-09-29

The ancient Indian text of Kautilya's Arthasāstra comes forth as a valuable non-Western resource for understanding contemporary International Relations (IR). However, Kautilya's Arthasāstra largely suffers from the problem of 'presentism', whereby present-day assumptions of the dominant theoretical models of Classical Realism and Neorealism are read back into it, thereby disrupting open reflections on Kautilya's Arthasāstra which could retrieve its 'alternative assumptions' and 'unconventional traits'. This book attempts to enable Kautilya's Arthasāstra to break free from the problem of presentism - it does so by juxtaposing the elements of continuity and change that showed up at different junctures of the life-history of both 'Kautilya's Arthasāstra' and 'Eurocentric IR'. The overall exploratory venture leads to a Kautilyan non-Western eclectic theory of IR - a theory which moderately assimilates miscellaneous research traditions of Eurocentric IR, and, in addition, delivers a few innovative features that could potentially uplift not only Indian IR, but also Global IR.

Chanakya - A visionary Human Resource Manager - Tushar Kokane, Santosh Bagwe 2019-11-27

Chanakya, a master strategist, was the man who destroyed the Nanda dynasty and instilled Chandragupta Maurya as the king of Magadha. Chanakya - A Visionary Human Resource Leader talks about the principles of human resource management mentioned in Arthashastra.

These principles of managing human resources are still relevant in the 21st century. For the first time, all the secrets of managing human resources are woven together in the context of modern human resource management. In this book, you'll learn Chanakya's perspective on business administration and people management. It contains the legendary management guru, Chanakya's, wisdom on recruiting, selecting, training, rewarding and motivating human resources. It is a resourceful guide for readers from all walks of life on contemporary human resource practices. Review: In the present book, I am glad to note that various aspects of Arthashastra have been included as the roles and responsibilities of the HR department. The authors of this book Santosh Bagwe and Tushar Kokane have used the ideas from Kautilya's Arthashastra for modern-day HR practitioners. The book has taken a lot of ideas from the original work of Chanakya and interpreted in a modern format. Easy to understand and simple in language, not only HR professionals will benefit from the book, but also general readers. I am glad this book is an excellent contribution to the corporate world which will get a lot of tips from Arthashastra and the wisdom of Chanakya. - Radhakrishnan Pillai (Author of Corporate Chanakya and other Chanakya Books)

Indian Temple Traditions - Saligrama Krishna Ramachandra Rao 1997

Asoka and His Inscriptions - Beni Madhab Barua 1968

Evolution of Social Polity of Ancient India - V. Nagarajan 1992

Modern Indian Political Thought - Bidyut Chakrabarty 2009-07-10

In contrast to the existing literature on the subject, this book carries a context-driven conceptualization of the major strands of political thought that emerged in India in the past two centuries. It focuses on India's peculiar socio-political processes under colonialism that influenced the evolution of such thoughts. The distinguishing feature of this book is its linking of the text of Indian political thought with the context. In doing so, it challenges the ethno-centric interpretation of nationalism that despite its roots in western Enlightenment, evolved differently because of the context in which it was articulated.

Revisiting The History of India & Beyond - Shri Sagar Simlandy

"Revisiting History of India & Beyond" have highlighted all the relevant issues of India's history and culture is dynamic, spanning back to the beginning of human civilization. It began with a mysterious culture along the Indus River and in farming communities in the southern lands of India. The history of India is punctuated by constant integration of migrating people with the diverse cultures that surround India. Available evidence suggests that the use of iron, copper and other metals was widely prevalent in the Indian sub-continent at a fairly early period, which is indicative of the progress that this part of the world had made by the end of the fourth millennium BC, India had emerged as a region of highly developed civilization. We hope that this book will be able to satisfy the general reader of History.

Thus Spoke Chanakya - Radhakrishnan Pillai 2018-01-11

Ancient Wisdom for Daily Inspiration "CONQUER YOURSELF TO REMAIN UNBEATABLE. On your path to success, both the biggest hurdle and the biggest support is your own mind - depending on how you have trained it." - CHANAKYA No school or university teaches us how to make friends, have a successful career, maintain a healthy married life, run a family or live life in general. How many times have we wished for a roadmap to navigate the confusing landscape of daily-life, to have a guidebook to show us the way? In his much-awaited book Thus Spoke Chanakya, bestselling author Radhakrishnan Pillai decodes ancient texts from the illustrious Kautilya's Arthashastra within the context of modern times and doles them out in short, crisp passages for everyday practice and use. A perfect read for those who yearn to master the teachings of Chanakya for overall success. Radhakrishnan Pillai is the bestselling author of Corporate Chanakya, Chanakya's 7 Secrets of Leadership, Chanakya in You and Katha Chanakya. He has a PhD in Kautilya's Athashastra and a Master's degree in Sanskrit. A renowned management consultant and speaker, he heads the Leadership Center at the University of Mumbai.

The Sacred Sounds of Sri Vidya - Vinita Rashinkar 2022-10-06

"Sri Vidya begins where the current understanding of quantum physics ends," say modern-day scholars about this little-known, highly esoteric spiritual tradition that has been kept under wraps by its practitioners. Sri Vidya practice is a three-fold one, encompassing mantra (sacred sound), yantra (sacred geometry) and tantra (a technique or framework for worship). Learning about the mantras used in the Sri Vidya tradition is fascinating as much as it is frustrating because information about its

various aspects is exceptionally hard to find. This book endeavours to explore the main mantras used in the Sri Vidya tradition and understand them as the unfolding of Shakti, the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success. Our minds and beliefs can be our strongest allies or our worst enemies. The book delves into concepts such as the importance of building the right narrative about life and the need for ritual in modern-day lifestyle. Samskara, vritti and vasana are described along with a detailed study of tantra and Sri Vidya before a discussion on mantras in general and then focusing on the mantras used in the Sri Vidya tradition. The subjects covered seek to establish the context of mantra sadhana in Sri Vidya is to be approached, combining elements of knowledge, devotion and ritual. We live in a time of deep insecurity, stuck in the midst of a feeling of scarcity, stress and self-limiting beliefs. This book offers everyone an opportunity to learn and experience the benefits of mantra sadhana of Sri Vidya and enjoy a life of abundance in all aspects of life - good health, meaningful relationships, success at work, peace and bliss in the spiritual path. The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests, presenting the information in a non-dogmatic and practical manner. This is the fourth book by the author in the Spirituality series. The first book was about the Sri Chakra Yantra, the second was about Chakras and the third was Tantra, Mantra and Yantra of Sri Vidya.
