A Heart of Blood and Ashes -
Milla Vane 2020-02-04

A generation past, the western

realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite

them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

Manipulation, deceit, and petty politics rule the plague survivors living off the Scottish coast and pretending their isolated island is safe from the *Crossed*. Now the island dreamers have met up with a society living upon a floating city of derelict boats. But the feeling that something very bad is about to happen is palpable. And the survivors must decide if they should trust in their new allies or treat the uninfected with as much caution as the insane *Crossed* maniacs. Demonic Dora (Teen Fantasy Series) - Claire Chilton 2014-11-19

THE DEMON DIARIES is a whimsical young adult series that combines GOOD OMENS style wit with urban fantasy stories similar to CASSANDRA CLARE'S MORTAL INSTRUMENTS to create an enchanting paranormal series that you won't be able to put

down. Embark on an exciting adventure in Hell with DEMONIC DORA. She's finally managed to summon her first demon... Dora Carridine is trying to summon a demon, but she's not very good at Latin and nothing ever works out the way she plans. Her life is fraught with weekly exorcisms and having to watch her father's fire and brimstone TV show every Sunday. So, when Dora finally succeeds in summoning an incompetent demon lord, she's absolutely delighted when all hell breaks loose. She thought summoning a sexy demon lord would be the answer to all of her problems, but her problems are only just beginning when her zealot parents try to burn her at the stake, and Dora is left with only one option—to escape and follow her demon straight into Hell. “Wildly, bizarrely, brain-punchingly inventive!” - Derek Landy, bestselling author of Skulduggery Pleasant. DISCOVER THE DEMON DIARIES, WHICH HAS SPELLBOUND 2.5 MILLION READERS. WHAT READERS

ARE SAYING "I love how Claire Chilton keeps your pulse racing until the end of the book. The addictive writing plus amusing characters and supernatural stories in these books create an unforgettable read." "If you are looking for an action-packed and funny gothic fiction series with a strong female lead to completely immerse yourself in, then this might be the book series for you." "The descriptions in this hilarious occult series are rich with meaning, and the parody of preternatural characters are brilliantly human." "I love Dora! Her sarcasm manages to amuse me whether she's being tortured in the academy for demons in Hell or just arguing with the Fallen One in Heaven. Great world building, and the best and most sarcastic characters." "Claire Chilton not only conjures a YA fantasy world brimming with magical creatures like vampires, werewolves, zombies, angels, demons, succubus, dragons, elves, fae, fairies, ghosts, gods, shapeshifters and a whole

range of mythical monsters, she also creates a few of her own. Were-squirrels, anyone?" "If you're looking for a dark teen comedy that is the goth lovechild of Deadpool and Buffy, then look no further. The novels in this series are fast-paced, dogma-driven, satires that focus on an outcast teenage girl who uses witty banter and a spellbook to become a witch and travel to Hell and back. With light humour and a lot of lols along the way, this Sabrina-like heroine explores the horror of death and darkness in even the most heavenly places." "An entertaining, humorous and romantic paranormal novel that kept me up past midnight because I couldn't put it down." "When the demon lord you're dating takes you home to meet his undead family, and then you're forced to attend school in Hell, you know the romance is going to get a bit weird. This was a fun unearthly romp that will make you laugh out loud. The first story is a bit short, but it's also free. The stories aren't overly

romantic, so they're great for older teenage boys and girls." □□□□ "Deliciously thrilling and wickedly silly from the grave and back! If you're tired of depressed heroines, then enjoy this feisty female protagonist as she travels on the road to Hell with nothing but her spells, soul chips and wits to keep her alive." □□□□ "A must-read series of sorcery, comedy, witches and demons. I can't wait for more new releases in this series." □□□□ BOOKS IN THIS SERIES A Hint of Magic: Bewitched by Magic Demonic Dora: Bewitched in Hell Deceased Dora: Bewitched in Death Divine Dora: Bewitched in Heaven A Hint of Hell: Bewitched by Christmas LANGUAGES: Available in British and American English. And by focusing on eight critical, nutrient-rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold.
