A credit score is a numerically determined number created by the Fair Isaac Corporation (FICO) that lenders use to evaluate potential customers. You are probably one of the millions of people who are struggling to repair your credit. You find yourself trying everything from paying your credit card debt to removing new credit cards and checking your monthly payment. While this helps, however, note that your score is low. You won't be able to buy a home for your family and find yourself struggling to find an auto dealer that will work with your credit. In fact, you end up taking a car loan with high-interest rates because it is considered a serious risk. You may

have had health problems, which have caused you financial difficulties for a couple of years. There are dozens of reasons why people find themselves with bad credit. There are also dozens of reasons why people struggle to fix it. How to handle this situation? In this book, I will explain everything you need to know to start managing your money better and change your financial situation. But before you can be alarmed, I immediately want to calm down on one thing. Although it may seem difficult to do, you can manage your money better and everyone can do it. If you strictly follow my instructions and if you commit yourself a little, I am sure that you will not have any problem with doing what I recommend. If you too, like so many other people, find it difficult to manage your money and you cannot live with dignity on your salary or the income from your work, read this book that I have written for you. There has never been a better time in the history of the world to fix credit. Due to a recent lawsuit 2019 will be a great year for credit repair. Well one video must be worth one million words. If you want a quick video of why my publication is the best click on my name "John Harris" directly above. It will take you to my Author page. There is a quick video that explains why I think you should purchase my publication. Look, can I talk to you privately for a second. You probably know right now your credit is not very good and you see derogatory items that are yours. Well let me tell you a little secret. When I wrote this publication, I already expected that. So, don't worry this publication covers removing derogatory accounts that are really yours. Also, don't worry this is done legally. SYSTEM COMES WITH

DISPUTE LETTER SYSTEM PRO'S USE Are you saying right now DAM THOSE (Bleeping) CREDIT BUREAU'S? Are those Credit Bureaus stopping you from getting? AN APARTMENT: Sorry here is your damage deposit back your credit application was not approved but thanks for the \$30.00 credit application fee. EMPLOYMENT: Sorry you are qualified, and we really liked your interview, but after seeing your credit report we will be going a different route. AUTOMOBILE: Well we did get you approved but unfortunately the down payment we talked about will be significantly more. Your monthly payment will also be \$168 more a month. We understand that's not financially possible for you but if things change let us know. Thanks for coming in and help yourself to a cup of coffee on your way out. Look a good friend of mine is a divorce attorney. He knows what I do so whenever we get together the subject always seems to go to credit. He told me he's shocked at how much "spouse has bad credit" comes up

during a divorce. He says it's always an issue woman have. We have deducted that woman love to nest. They want security (I guess we didn't have to be rocket scientists to figure that out). So anyway, STOP RIGHT NOW AND SCROLL TO THE TOP OF THE PAGE AND BUY THIS PUBLICATION SO WE CAN GET STARTED. Is that being forward enough? Seriously we are talking about the cost of a cup of Starbucks coffee. So, if you are still here you might need some more convincing, I guess. Good for you... due diligence. My name is John D. Harris I could go on and on here about my experience working as a credit bureau manager, but I won't bore you with all the details. THIS REALLY IS NOT ABOUT ME ANYWAYS. IT'S ABOUT YOU AND YOUR CREDIT. Even though your credit affects your whole life experience you probably know very little about real credit repair. Most of the books I have read online about credit repair are out of date. Or the authors don't really know about credit repair.

Let's face it all our lives are on a clock that is always ticking. Tick Tock Tick Tock. THIS IS NOT A PRACTICE RUN. This is your one life. Every day with bad credit is a day you are not experiencing your full life experience. People respect you because, you can get things done, you have access to CREDIT. My bet is that you know more about cooking a turkey, changing your oil, what's on Netflix, Geography, Donald Trump, Words of a different language, Facebook, etc. THAN YOU DO ABOUT REAL CREDIT REPAIR. I guarantee you can have good creditPS: I am a real person. This is really my PublicationPSS: You can have great credit just listen to me. Is that blunt enough for you. Purchase the publication.

[How You Can Profit from Credit Cards](#) - Curtis E. Arnold 2008-06-06

Who would not be interested in getting an interest-free loan for 12 months for any type of purchase just for taking a few minutes to complete a credit card balance transfer offer? Or

a free round-trip airline ticket twice a year just for making purchases on a rebate card? Or lowering their insurance premiums by hundreds of dollars a year just by raising their credit score? Obviously, just about every consumer is interested in saving money and getting freebies! Hence, the universal appeal of this book cannot be overstated. Today, the average American household has 12.7 credit cards. Banks maximize their profits by "nickel and dimeing" and outsmarting their cardholders: that's why credit cards are their most profitable product. Banks spend billions enticing consumers with rebates, freebies, low-introductory rate offers, and airline miles. Learn how to take full advantage of these offers, without paying for them through brutally high interest rates, fees, and penalties! Arnold offers specific advice targeted to young consumers who are being aggressively targeted by credit card marketers; retirees facing credit discrimination; Americans recovering from bankruptcy or other debt

problems; and even consumers with great credit. You'll learn the techniques he has personally used to escape credit card debt, "creatively finance" his wedding, car, and home purchases, and earn thousands in credit card "perks" every year.
