Understanding Prophecy - Alan S. Bandy 2015-07-27

An authoritative guide to clearly understanding the place and meaning of prophecy in the Bible For thoughtful readers who are curious about biblical prophecy, this book will help them learn the place of prophecy in the message of the Bible and clear up the confusion that often surrounds reading these texts. Studying biblical prophecy is about much more than predicting

end-times events. Rather, a proper approach to prophecy acknowledges that the threads of prophecy crisscross throughout Genesis to Revelation, forming the fabric of canonical Scripture. This is why having a good grasp of the prophetic genre is essential for understanding the message of the entire Bible. Authors Alan Bandy and Benjamin Merkle not only offer thoughtful and careful explanations of individual biblical prophecies, but also give the reader the big picture of how all prophecy relates to and should be interpreted in light of Jesus Christ. This book examines the nature, themes, purposes, and theology of biblical prophecy and provides a framework for how to interpret any passage in the context of the Bible as a whole.

China and End-Time Prophecy - Eugene Bach 2021-08-31

In China, an Army Is Rising... For years, China's population size, economic growth, and thirst for military power have taken center stage by those who study biblical prophecy. Most end-time experts have seen the "Red Dragon" as an aggressor to Israel. In Revelation 16 and 19, John's mention of the armies involved in the final battle marking the end of the world could well depict China's army today. However, a different kind of army is also rising in China, and it is quickly approaching two hundred million people. This army is for Christ, not against Him. It is a host of Christians from the Chinese underground house church who are fighting a battle against principalities and powers and spreading the gospel in unprecedented ways under intense persecution. These Christians are motivated by a powerful vision called "Back to Jerusalem." The Chinese church is quietly working to complete the Great Commission by bringing the gospel to unreached peoples in China's eastern provinces and to all the countries between the border of China and the city of Jerusalem. Yet there's even more to this fascinating development. What you read in this book may change your view of end-time prophecy. Back to Jerusalem is not just a missions movement of the Chinese church. It is an eschatological event confirmed by both the Old and New Testaments. God is using the Red Dragon to fulfill His ultimate purposes. *China and End-Time Prophecy* explores the surprising connection between ancient prophecy and China's modern missions phenomenon. This

book will give you a new vision of what it means to go into all the world with the gospel. Most of all, it will show you why the completion of the Great Commission is inevitable and the return of Christ is unstoppable.

The End - Mark Hitchcock 2012-07-06

The end times have seen a great amount of interest within the last two decades, but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades. Mark Hitchcock's book is that comprehensive resource for the twenty-first century *The End* will do for eschatology what Randy Alcorn's *Heaven* did for people's understanding of heaven. It will provide a solid biblical foundation for Christians to explore the essential truths around this topic—the end of the world.

Joel, Amos, and Obadiah - Kristofer Holroyd 2018-10-15

The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The books of Joel, Amos, and Obadiah are revelations from God spoken through his prophets, calling his chosen people to repent and return to him. Even though God promises judgment for their unfaithfulness, he also offers hope of restoration in the Promised Land and reconciliation to him as their Lord. This 12-week study helps readers see how the justice and mercy of God lead to the hope of glorious salvation, as we wait for the day when Jesus returns to free us from our enemies and our sin and establish his rule over all the nations. Part of the *Knowing the Bible* series. Encyclopedia of Biblical Prophecy - J. Barton Payne 2020-09-30

After twenty years of research, Dr. J. Barton Payne has compiled the one complete guide to Biblical prophecy. From the prediction of Adam's death in Genesis 2: 17 to the prophecy of mankind's perpetual worship of God in the new heaven and earth (Psalm 72:5), the *ENCYCLOPEDIA OF BIBLICAL PROPHECY* discusses every verse of prophetic matter in Scripture. It identifies every probable point of fulfillment whether in the past, present, or still in the future. The first 144 pages of the *ENCYCLOPEDIA OF BIBLICAL PROPHECY* set forth a systematic approach to the subject of Biblical prophecy and the legitimate place for prediction in it. The *ENCYCLOPEDIA* is arranged according to the 66 books of the Bible.

In each book, all the verses on one prophetic theme are treated in one combined discussion. For example: The 12 verses of Genesis that foretell God's granting of the land of Canaan to the descendants of Abraham are discussed together. It is then shown how the promise was fulfilled in the days of Joshua. One of the ENCYCLOPEDIA'S concluding summaries lists all the 737 major subjects that appear in Biblical prediction, with the books and paragraphs in which each is found. This way, each prophecy can be traced from its first appearance in the Bible to its last. Among the many features is a complete list of all the Scriptural prophecies pertaining to Christ. No other book has ever examined Biblical prophecy so thoroughly or presented it in such a balanced perspective as the ENCYCLOPEDIA OF BIBLICAL PROPHECY.

- 1,817 entries covering all the Biblical predictions in both the Old and New Testaments
- A complete discussion of all 8,352 predictive verses in the Bible
- 14 tables, including three on the Book of Revelation
- Bibliography
- 4 summaries
- 4 statistical appendixes
- 5 complete indexes

An indispensable tool for students of the Bible, for students in theological seminaries and Bible colleges, for pastors as a reference guide, and for concerned lay people. The ENCYCLOPEDIA OF BIBLICAL PROPHECY is certain to bring a fresh understanding and rewarding insights of the bible.

Clear Prophetic Words - Mark Sweetnam
2020-10-08

Predicting the future is a human obsession. Companies invest resources in the services of analysts who identify hot trends. Scientists design complex mathematical models that can be used to predict events in the world and the universe. Philosophers and sociologists contemplate the future of humanity. And multitudes of men and women consult mediums, fortune-tellers, and astrologers in the vain hope that their predictions will serve as something to guide their lives and guide their decisions. The future, it has been said, is good business. But although the future interests us greatly, we understand very little about it. The inability of politicians, commentators and so-called prophets to anticipate continued financial turmoil is only recent evidence of our inability to predict. the course of upcoming events, or the nature and

magnitude they will have. Time and time again, confidently delivered predictions have proved embarrassing to their misguided authors. These failures are inevitable because we are temporal beings, immersed in time; we are finite, limited in our knowledge. As such, we lack the ability to detach ourselves from the course of events and gain a stable perspective to make sense of what is happening. Our intellects can embrace only a very small part of the elements and forces that determine events. A definitive explanation of the future can come only from someone who is positioned outside of time and can discern every cause, be it the whims of individuals or the violence of conflicts and catastrophes.globales.

The Book of Signs - Dr. David Jeremiah
2019-03-05

From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties

of the present and embrace God's promises for the future with a renewed sense of hope and purpose.

Prophecy in the Book of Daniel - Ray C. Stedman
2011-11-28

The book of Daniel, together with the book of Revelation, marvelously unfolds future events as God has ordained them in the program of history. Neither book has yet been completely fulfilled. By and large, God does not unfold the future to us--certainly not in detail. But what He does show us in the prophetic Scriptures is the general trend of events and where it will all end. If we want to know God's program for the future, it is essential that we understand the book of Daniel. We can also begin to understand what is happening today if we know what His prophetic program is.

Jesus in Prophecy - Van Lees 2021-01-18

Pastors Van Lees and Robert Peterson by God's grace know and love the Lord and are eager for others to know and love him too. This book tells the greatest story ever told, the story of Jesus's life. It is also about Old Testament prophecies that predict Jesus's coming and events in his life. In this way, the book shows the supernatural origin of the Bible, because only God could make many prophecies hundreds of years before he fulfilled them in Jesus.

Profil Prophetic - G B Fyfe 2020-10-07

The study of prophecy deepens and broadens our communion with God, helping us understand that Christ is humanity's only hope in a world destined for destruction. If we truly appreciate the implications of the prophecy, we will live apart from that world around us. Undoubtedly the most important passage that comprehensively addresses the theme of the great tribulation is the Lord's discourse on the Mount of Olives. Let's see it from a bird's eye view. An analysis of Matthew 24 and 25 could initially distinguish three sections: The coming of the Lord in relation to the Jews, 24.1-44 The coming of the Lord in relation to the professing church, 24:45 to 25:30 The coming of the Lord in relation to the Gentiles, that is, the nations, 25.31 to 46 A proper understanding of Matthew 24 helps in the interpretation of many other portions of Scripture, and one must bear in mind that the character of Christ set forth in this Gospel is that of the Messiah of Israel. The

entire Gospel of Matthew deals with the question of whether the nation of Israel would receive him or not. <https://amzn.to/2Xdtq2m>

Prophecy Games: - Dennis George Herman
2017-03-17

This second book in the series is a compilation of Bible Studies on a much deeper level than the first book in the series. This book is not for beginners. Although a number of chapters contain a review of simple methods explained in the first book. The second book in this series takes up where the first book left off. The main focus in this book centers on what I term as parallel chapters. The first book shows the amazing way God wrote the Bible in a particular order to teach any dedicated student of scripture a series of important study rules, often referred to as rules of context. I tried to explain each rule of context in the easiest terms I know. Combined with actual examples in scripture, this may be the easiest book on Bible Study to understand.
[Escape the Coming Night](#) - Dr. David Jeremiah
2018-02-06

There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news—but what can we do about it? And how can we find peace amid the chaos? We hear

increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. It can be difficult to find a way forward, trusting that God will protect and care for us amid the struggles of life. In this updated edition of *Escape the Coming Night*, Dr. Jeremiah walks through the perfect Scriptures for these uncertain times, exploring The Book of Revelation in a practical way. For those who have wanted to know more about Book of Revelation but didn't know how to get started, the book answers key questions like: How do we explain so much continuous chaos? How do we live with such turmoil? Is there any hope for peace in our lifetime? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. This exploration of Revelation is shocking and eye-opening, but also consistently uplifting—and a vital message for our time.

[Every Prophecy of the Bible](#) - John F. Walvoord
2011-09-01

Unprecedented natural disasters, political uprisings, and economic uncertainty: The Bible predicted it all. Now you can understand it—and know what's coming next. As we watch world events unfold, biblical prophecy becomes a subject of intense interest. *Every Prophecy of the Bible* brings clear answers to more than 1,000 key prophecies, backed with solid Scriptural evidence. Walvoord covers each prophecy from Genesis to Revelation, giving detailed insight into the many prophecies that have been fulfilled, as well as those that are still to come. By placing each event into historical context, the author gives insight into how the past, present, and future fit together to form an amazing, divine design. An excellent reference guide for those seeking answers, this comprehensive book reassures readers that God's master plan is to be trusted and that the Bible is an accurate source of hope for all Christians.

[The Non-Prophet's Guide to the End Times](#) - Todd Hampson
2018-10-02

I Believe Jesus Will Return... What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and

apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment.

The Middle East in Bible Prophecy - United Church of God 2010-08-20

The Arab Spring, the continuing Israel - Palestine conflict... why does the Middle East dominate the news headlines so often? One obvious answer is oil, the lifeblood of our modern world. The crucial importance of oil alone ensures that the Middle East will remain in the headlines for years. The Middle East is also the birthplace of the world's three great monotheistic religions—Judaism, Christianity and Islam. It has also been the battlefield for each religion—trying to control the territory they consider holy. Nowhere are these conflicts more obvious than in Israel, and specifically in Jerusalem. Whether you understand it or not, events in the Middle East are destined to affect the lives of every person on earth! Bible prophecy gives us the clues to understand what will happen. This ebook, "The Middle East in Bible Prophecy", will help you better understand the troubled history of the Middle East—and its tumultuous future. Chapters in this ebook: -- Introduction: Worlds in Turmoil -- The Middle East: Worlds in Collision -- The Sons of Abraham -- The Rise and Fall of Ancient Israel -- The Four Empires of Daniel's Prophecies -- The Coming of Islam -- The Jews: From the Dispersion to the Modern Israeli State -- The Creation of the Modern Middle East -- A Rising Tide of Arab Nationalism -- Fundamentalist Islam Resurges -- Anger Mounts Following Gulf War -- Not Enemies Forever -- "Why Do People Hate Us So Much?" -- War and Peace in the Middle East -- What Is the "Abomination of Desolation"? -- Prophecy of an Arab Confederation -- What

Should You Do? Inside this Bible Study Aid ebook: "It's impossible to understand the present Middle East without a knowledge of the three great religions that emanate from the area—Judaism, Christianity and Islam. These three faiths all trace their spiritual roots back to the same individual, Abraham." "However, conflict between Christians and Muslims has been a constant theme of history for 14 centuries." "Many other factors have contributed to the rise of Islamic fundamentalism and subsequent terrorism, including the Israeli-Palestinian problem and the domination of American culture." "After so much death and destruction, and centuries of war and unrest in the Middle East, imagine what a difference the second coming of Jesus Christ will make."

The Book of Daniel - Russell M. Stendal 2015-06-01

The Book of Daniel is a deep look into Daniel, of the Bible. Each verse and each sentence is dissected to unveil great prophesies which are coming to fruition today. It cannot be over-emphasized how relevant this book is to our current generation. The book of Daniel covers everything from the sorry state of today's denominations, to corrupt governments whom will not be changed before the end of the world as we know it. Many devastating things which will come to pass are clearly defined in this book. However, Daniel doesn't stop here. We, the children of God, are shown the beautiful way of a true Christian's life, as modeled by Daniel himself. We truly are blessed and must give all glory to God for His generous gift of salvation, through His Son, Jesus Christ.

Bible Prophecy Study Course - Lesson Set 10 - Steven Messick 2011-10-23

To the Student of Bible Prophecy, I have studied Bible Prophecy since 1984. I have read a lot of books on prophecy and found that most of them assume you know certain basics about prophecy, so they discuss end time events and usually don't tell you the background and other information you need to know to understand what they are telling you. They give you the meat of prophecy without the milk you need to digest the big stuff. This study course gives you the background and the facts you need to understand prophecy. In other words, it takes you from the milk to the meat of the word. PURPOSE: The intent is to

teach the interested about the return of the Lord Jesus Christ to this earth, to claim the victory He won on the cross, for you and me. The study does not intend to be denominational, rather it's intent is to enlighten and to bring all of the Body of Christ, His Church, together as one. SCOPE: The scope of the study is from the beginning to the end: from Genesis to Revelation. The student is taken through the study from scratch. The study concentrates strongly on prophecy that has already been fulfilled, showing the steps leading up to today and what the Bible says will soon occur. The outline shows there are 30 Lessons arranged into 11 Lesson Sets. Each Lesson Set has a pre-test, a test, answers, Extra Information Sheets, other aides to help understanding, along with a Subject Reference in the back. It is my fervent hope that the Holy Spirit will impress upon you the need to be aware of the Lord's imminent return (Luke 21:36) and God's blessings for studying prophecy (Revelation 1:3)

Ezekiel - Michael Lawrence 2018-03-15

The book of Ezekiel proclaims God's uncompromising judgment against his rebellious people—but also his promise of restoration if they repent. Exposing the depth of Israel's disobedience, the prophet Ezekiel calls the nation to find forgiveness by turning away from their sin and back to God. Carefully explaining Ezekiel's often confusing prophecies, this study guide will encourage readers to trust in the God who does not abandon his people but restores the repentant for his glory. Part of the Knowing the Bible series.

Christian Prophecy - Niels Christian Hvidt 2007-04-19

Throughout the Hebrew Bible, God guides and saves his people through the words of his prophets. When the prophets are silenced, the people easily lose their way. What happened after the incarnation, death and resurrection of Christ? Did God fall silent? The dominant position in Christian theology is that prophecy

did indeed cease at some point in the past -if not with the Old Testament prophets, then with John the Baptist, with Jesus, with the last apostle, or with the closure of the canon of the New Testament. Nevertheless, throughout the history of Christianity there have always been acclaimed saints and mystics -most of them women-who displayed prophetic traits. In recent years, the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity. Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt. Mainstream systematic theology, both Protestant and Catholic, has mostly marginalized or ignored the gift of prophecy. In this book, however, Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church. Prophecy never died, he argues, but rather proved its dynamism by mutating to meet new historical conditions. He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it. Throughout, though, there is always an awareness of the critical discernment required when evaluating the charism of prophecy. The debate about prophecy, Hvidt shows, leads to some profound insights about the very nature of Christianity and the church. For example, some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines. Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away. This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work.

The End - Cheri Fields 2021-07-27

The future excites our imaginations. Many people seek out ways to find out what's going to happen to them both soon and far later; we even make movies about the world being destroyed. Any worldview system wide enough to shape a whole life has to answer the ultimate questions of both our beginnings and the far end of history. God knows this and gives us solid answers to both, preparing us for the distant future and helping us shape our lives today. He even presented these answers in a way that has allowed all people in every place and time to benefit. But this means many of us find his predictions of what's coming confusing and scary. This book walks us through the basic biblical texts and ideas to help untangle as many knots as possible, teaching us how to humbly, but boldly, learn to study our Bibles for ourselves. In this study we will take the far end of history in the same way biblical creationists take the beginning: at face value. You will find this book a clear explanation of how futurist, premillennial, prewrath believers interpret the words of Scripture. So, grab your Bible and a pencil and let's dive in!

The Prophecy Study Bible - John Hagee
2011-04-25

Presents the texts of the Old and New Testament, along with commentaries and lists of biblical scripture about prophecy in the Bible.

The First Theologians - Thomas Gillespie 1994

This title focuses purely on company accounts, rather than dealing with areas such as group accounts, sole traders and partnerships. Many accounting reference works are aimed at larger businesses and take into account the additional requirements imposed by the Financial Services Authority (for listed companies) or international financial reporting standards. It is aimed at accountants in small to medium sized companies as it will focus on the UK accounting requirements as they affect private companies,

and will pay particular attention to the exemptions available to companies that qualify as small under the Companies Act 1985.

[The Final Days of Jesus](#) - Andreas J.

Köstenberger 2014-01-31

The death and resurrection of Jesus Christ stands as the most important event in human history. The Gospel writers understood this, devoting a proportionally large amount of space to Jesus's arrest, trial, crucifixion, and empty tomb. But how do the four Gospel accounts fit together? What really happened and what does it all mean? Combining a chronological arrangement of the biblical text with insightful commentary from Andreas J. Köstenberger, one of evangelicalism's brightest scholars, along with Justin Taylor, a well-known leader and blogger, this book offers readers a day-by-day guide to Jesus's final week on earth. Complete with a handy, quick-reference glossary and numerous maps illustrating key biblical locations, *The Final Days of Jesus* will help readers understand the geography, timeline, and background of Jesus's final days while serving as a devotional guide for meditating on the most important week in human history.

What Does the Bible Say about the Future? -

Charles H. Dyer 2022-02-01

Anyone can make predictions about the future. The real question is, "What does God have to say about it?" The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. In *What Does the Bible Say About the Future?*, radio host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If

prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to tickle our imagination or satisfy our intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today!

Understanding End Times Prophecy - Paul N. Benware 2006-05-01

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together

first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.
