Exploring Your Creativity on the Drumset - Mark (CRT)

Guiliana 2016-09-01

(Percussion). Mark presents a complete system to answer these questions. The book follows a system entitled D.R.O.P.: Dynamics, Rate, Orchestration and Phrasing. Mark pulls apart and addresses

each of these building blocks individually, presenting rhythmic concepts that will expand your ability to call on different rhythmic rates and subdivisions on command, move them around the kit freely, and ultimately be able to phrase them in exciting and sometimes complex ways that sound like "polyrhythms" and "metric modulations" but are actually constructed upon a solid foundation of drumming basics. This material will give you the confidence to make a personal statement on the drumset. Adding to this package is live footage of Mark playing with two of his longtime collaborators, Tim Lefebvre (bass) and Jason Lindner (keys). Having played together for years, these three musicians most recently formed the rhythm section for David Bowie's final album, Blackstar. Watch Mark interact with these world-class musicians in electric and acoustic settings as they apply Mark's concepts in inspiring performances. The book comes packaged with a full-length

DVD, and the video is also available for download using a code contained in the book.

In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

Kenny Riley and Black Union Labor Power in the Port of Charleston - Ted Reed
2020-03-10

Their ancestors may have been cargo in the slave ships that arrived in Charleston, S.C. Today, the scale has been rebalanced: black longshoremen run the port's cargo operation. They are members of the International Longshoremen's Association, a powerful labor union, and

Kenny Riley is the charismatic leader of the Charleston local. Riley combines commitment to the civil rights movement with the practicality to ensure that Charleston remains a principal East Coast port. He emerged on the international stage in 2000, rallying union members worldwide to the defense of "The Charleston Five," longshoremen arrested after a confrontation with police turned violent. This is Riley's story as well as a behind-the-scenes look at organized black labor in a Deep South port. *Sticking patterns* - Gary Chaffee 1994-04
Patterns is one of the most comprehensive drum methods available. Covering a wide range of materials, the books can be used in any order, or in any combination with one another. They are a must for developing the kinds of skills necessary for drum set performance. In *Sticking Patterns*, Gary's unique approach to the use of stickings on the set is explored. Completely different from the rudiments, Gary's system is

designed specifically for drumset performance, both for creating time feels as well as for filling and soloing. Also included are sections on accented single strokes, as well as the use of double strokes on the set.
