Uebert Angel was afforded visitations to Hell by God and commanded to let the world know the REALITY of Hell and to remind the world to choose life and prepare for eternity. As the Lord Jesus appeared to Uebert Angel, he took him on tours of Hell and showed him the

sufferings there. He saw some of the horrors of Hell and saw many souls in torment. Jesus shows him what happens to souls when they die as unbelievers and also the horrors purported Christians face in hell who reject His grace and centre on self-righteousness by trusting in their own works. [Making it Through a Storm](#) - Rev. Dr. Terry Thomas 2010-05-18

All people, at some point in their lives, will come upon difficult and trying circumstances that are traditionally characterized as a storm. As much as we try, with great-valiant effort, to avoid certain things, no one can avoid the inevitable storm or storms that will occur in their life. Storms are just part of the human condition, and we are either coming out of a storm, in a storm, or heading for a storm. Since we know that storms are one of life's certainties, we should prepare to deal with them by equipping ourselves with the necessary knowledge and skills. This is an imperative statement because if you are not prepared to deal with a storm, then your life can easily be ripped apart by it. In a very short period of time, a storm can quietly and quickly remove things in your life that have taken you a lifetime to acquire. You can be a very secure person, but if you are not prepared, a storm can uproot values that once nurtured and upheld your life, like a stalwart tree uprooted from the ground. Therefore, if you want to know the things to do to make it through a storm, *Making It through a Storm* is a book that you will want to read. This book takes a look at what a group of people in 27th chapter of Acts did, who made it successfully through a severe storm, to learn the fundamental principles that one needs to embrace to make it through a storm. *Making It through a Storm* will share with you some very insightful, surprising, inspirational and delightful things that will help you make it through a storm in manner that will strengthen and enhance your life. Personal storms are common, but pertinent aids to help us in understanding and surmounting them are rare indeed. This book is one such rare aid, and its pages are filled with wisdom shared from a warm heart. Religion and Social Marginalization in Zimbabwe - Togarasei, Lovemore 2020-07-13

"Marginalization means being disregarded, ostracized, harassed, disliked, persecuted, or generally looked down upon. Marginalized people often include women and children, the poor, the disabled, sexual, religious, or ethnic minorities, refugees. The marginalized are those who are socially, politically, culturally, or economically excluded from mainstream society. In history, the Church in Zimbabwe has played a role in improving the lives of the marginalized, but what is religion, especially Christianity, doing for the marginalized now? Although religion is also implicated in marginalisation, the contributions in this volume did not address this angle as they focused on the role that religion can and should play to fight marginalization. The chapters come from two conferences (2012, 2014) that were held under the flag of ATISCA. The contributions have been updated to include later developments and publications"--

Supernatural - The Life of William Branham Volume 1 - Owen Jorgensen 2019-11-17

BOOK ONE: THE BOY AND HIS DEPRIVATION (1909-1932) William Branham is one of the greatest healing evangelists in Church history. From the minute he was born, William Branham was set apart from the ordinary. Plagued by poverty and rejection, he became a nervous child. Unusual things kept happening to him, mystifying and spiritual things...but he did not start thinking about God until he was 14, when he nearly lost both legs in a shotgun accident. As he lay dying in a pool of blood, he saw a terrifying vision of hell - saw himself falling constantly deeper into that region of lost and drifting souls. He cried out to God for mercy and miraculously was given a second chance - a chance which later he almost failed to grasp. [Click Here To Purchase](#)..BOOK TWO: THE YOUNG MAN AND HIS DESPERATION (1933-1946) As a young pastor, William Branham struggled to understand his peculiar life. Why was he the only minister in town who saw visions? When God first called him into nation-wide evangelism in 1936, he refused, only to pay dearly for his mistake by losing his wife and daughter to tuberculosis. The visions continued. Ministers told him that these visions came from Satan. Desperation finally drove him to seek a supernatural being. The angel gave him a commission from God to take a gift of Divine healing to the peoples of the world. When William Branham questioned whether the people would believe an angel had really met him, the angel said he would be given two supernatural signs to prove his calling. Then they would have to believe. And believer they did! BOOK THREE: THE MAN AND HIS COMMISSION (1946-1950) Soon after the angel visited William Branham and told him he was ordained to take a gift of healing to the peoples of the world, the first sign appeared - a physical reaction in his hand that happened only when he touched the hand of someone suffering from a germ-caused disease. Within two months of his commission, William Branham's extraordinary gift had gained national attention. People by the thousands flocked to his meetings, where he preached salvation and Diving healing in the Name of Jesus Christ. Miracles abounded. The world had not seen anything like it since the days when Jesus walked through Galilee, casting out demons and healing all who were sick and afflicted. Even so, some people still questioned whether an angel had really met this humble man. Then the second sign appeared...and they had to believe!

A Hunger for God - John Piper 2013-04-23

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God.

Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

The Rise of the Prophetic Voice - Alph Lukau 2019-10-24

The Rise of the Prophetic Voice is an educational and revolutionary book that deals with biblical truths about the prophetic and its practical

operation in our time. This book is a rare tool of the Holy Spirit, dedicated to shedding light about the prophetic to the body of Christ and to raising an end-time army of prophets for the Lord. The prophetic is the oldest and most documented ministry in the Bible, yet it is the least known in today's generation. No other ministry is known to be more effective in the Kingdom of God than the prophetic. The Bible, the most sacred book we have in the Kingdom of God, is a prophetic book; the birth of our Lord and Saviour Jesus Christ was a fulfilment of a prophetic word. God is restoring the prophetic in the church and calling all his sons

and daughters to be prophetic. The world today glorifies individualism and independence from God as a pathway to freedom, rendering the very essence of God irrelevant. However, the well-informed, Spirit-led and powerful revelations in * Rise of the Prophetic Voice * demonstrate God's unfailing power and establishes his supremacy amongst men once again. This book will give you the biblical foundation of the prophetic, help you to discover your calling or gift in it and ignite in you its fire. Beyond all doubts, I believe this book will revolutionise the lives of its readers and restore the glory of the mighty God in the world.
