Mission India - A P J Abdul Kalam 2015-11-10
Mission India: A Vision For Indian Youth has been written with the intention of challenging the Indian youth to bring about a positive change in the country by 2020. Kalam starts off by telling the readers that there has never been a time in Indian history such as this, where the nation has 540 million youth and 20 million Indians across the globe. He also states that several developed countries have directed their efforts towards setting up research centers across the country, which has benefited scientists, engineers, and professionals from various spheres. Kalam and Rajan tell the

readers about their goal to make India one among the five top economic powers in the world by 2020. In the beginning of this book, Kalam presents the readers with a question as to whether India can become a developed country. He then provides insights into the current situation in the country, and explains that this goal is a realistic one. In the subsequent chapters, Kalam and Rajan begin to examine the five industries that need to become reasonably self-sufficient in the coming years, and each chapter tells the readers what can be done to bring a positive change in each industry. They also tell the readers about the current education system in the country, and the latest technology that can be used to improve the quality of education. The readers are also given insights into the present healthcare industry and infrastructural system, which are trademarks of a developed nation. Kalam and Rajan conclude by telling every individual and organization about the role they can play in transforming the

nation by 2020

The Goalkeeper's Revenge - Bill Naughton
2011-09-28

The Goalkeeper's Revenge is comprised of stories of a Lancashire childhood: of football on the streets, fishing, fighting and school, of growing up and looking for work, and of characters such as Spit Nolan the champion trolley-rider, Sim Dalt the goalkeeper and Maggie Gregory the amazing reader.

The Cop and the Anthem - O. Henry
2020-08-26

While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a

magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Let the Shadows Fall - Terri A. Wilson
2019-06-10

Hang on to your chaps, because this is a Wild West like you never knew. Elizabeth O'Grady and her mother run the O'Grady Inn in Alana Creek-

a town known for shootouts, fights, and outlandish parties. When Elizabeth's step-father died, she wanted to celebrate but instead found a heap of debt, and the wealthiest family in town, the Randalls, own the inn. When the Randalls offer her an unusual bargain, she jumps at the chance. It doesn't matter that they want her to steal a valuable object from an angry dragon who isn't up to negotiating. But dragons aren't the only secret Alana Creek hides.

Elizabeth discovers her town is home to shifters, witches, and mythical hunters, and her past connects all of them. Now she must risk death to save her hotel. But she discovers a hidden talent, and the Randalls and Alana Creek are about to get a lesson they won't soon forget.

George's Secret Key to the Universe - Stephen Hawking 2011-01-04

In their bestselling book for young readers, noted physicist Stephen Hawking and his daughter, Lucy, provide a grand and funny adventure that explains fascinating information about our universe, including Dr. Hawking's latest ideas about black holes. It's the story of George, who's taken through the vastness of space by a scientist, his daughter, and their super-computer named Cosmos. George's Secret Key to the Universe was a New York Times

bestseller and a selection of Al's Book Club on the Today show.

Around the World in 80 days - Jules Verne
1881

Around the World in Eighty Days, an adventure novel first published in 1873, was written by the French writer Jules Verne. Phileas Fogg is a rich Englishman living in London, whose life moves strictly by the clock. He employs a new servant, Passepartout, after his previous servant makes the silly mistake of serving shaving water two degrees cold. Later that day, Phileas goes to the Reform Club as usual, where he gets into an argument with his whist partners who debate whether one can travel all around the world in eighty days. He bets a fortune to prove that he can accomplish the feat, being unaware that a look-alike has recently robbed a bank.

Song of the Brook - Alfred Tennyson Baron Tennyson 1881

Kautilya's Arthashastra - Kau?alya 2009-01-01

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of

malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

Free Culture - Lawrence Lessig 2016-07-30
Lawrence Lessig, "the most important thinker on intellectual property in the Internet era", masterfully argues that never before in human history has the power to control creative progress been so concentrated in the hands of the powerful few, the so-called Big Media. Never before have the cultural powers- that-be been able to exert such control over what we can and can't do with the culture around us. Our society defends free markets and free speech; why then does it permit such top-down control? To lose our long tradition of free culture, Lawrence Lessig shows us, is to lose our freedom to create, our freedom to build, and, ultimately, our freedom to imagine.

The Monk Who Sold His Ferrari - Robin S. Sharma 1996

Little Women - Louisa May Alcott 1919
Chronicles the humorous and sentimental fortunes of the four March sisters as they grew into young ladies in the early nineteenth century.

The Cherry Tree - Ruskin Bond 2012-11-15

Rakesh plants a cherry seedling in his garden and watches it grow. As seasons go by, the small tree survives heavy monsoon showers, a hungry goat that eats most of the leaves and a grass cutter who splits it into two with one sweep. At last, on his ninth birthday, Rakesh is rewarded with a miraculous sight—the first pink blossoms of his precious cherry tree! This beautifully illustrated edition brings alive the magical charm of one of Ruskin Bond's most unforgettable tales.

Hope Is the Thing with Feathers - Emily

Dickinson 2019-02-12

Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of America's most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. Hope Is the Thing with Feathers is a collection from her vast archive of poetry to inspire the

writers, creatives, and leaders of today.

A New System of Chemical Philosophy ... - John Dalton 1808

Rajmohan's Wife and Sultana's Dream -

Bankim Chandra Chatterjee 2021-04-21

Rajmohan's Wife and Sultana's Dream

(1864/1908) features the debut novel of Indian writer Bankim Chandra Chatterjee and a story by Bengali writer, feminist, and educator Rokeya Sakhawat Hossain. Rajmohan's Wife, Chattopadhyay's only work in English, launched his career as a leading Bengali intellectual and political figure. Written in English, Sultana's Dream originated as a way of passing time for its young author while her husband was away on work. Initially published in The Indian Ladies Magazine, Sultana's Dream helped establish Rokeya's reputation as a leading figure in

Bengali arts and culture. Rajmohan's Wife is the story of Matangini, a beautiful woman married to a violent, jealous man. Unable to marry the man she loves—who happens to be her own sister's husband—she settles for the villainous Rajmohan, an abusive man who rules his middle-class Bengali household with an iron fist. With the help of her friend Kanak, Matangini does her best to avoid her husband's wrath, illuminating the importance of solidarity among women faced with oppression. Vindictive and cruel, Rajmohan secretly enacts a plan to rob Madhav, his brother-in-law, in order to obtain and invalidate a will. Sultana's Dream is set in Ladyland is a feminist utopia ruled by women, a perfect civilization with no need for men, who remain secluded and without power. Free to develop their own society, women have invented flying cars, perfected farming to the point where no one must work, and harnessed the energy of the sun. With men under control, there is no longer fear, crime, or violence. Ultimately, Ladyland is

a world made to mirror our own, a satirical exploration of the absolute power wielded by men over women, and a political critique of Bengali society at large. Sultana's Dream is more than a science fiction story; it is an act of resistance made by a woman who would shape the lives of her people through advocacy, education, and activism for generations to come. With a beautifully designed cover and professionally typeset manuscript, this edition of Bankim Chandra Chatterjee and Rokeya Sakhawat Hossain's Rajmohan's Wife and Sultana's Dream is a classic of Bengali literature and utopian science fiction reimaged for modern readers.

The New Dress - Virginia Woolf 2019-04-23

"The New Dress" is a short story by the English author Virginia Woolf.

A Midsummer-night's Dream - William Shakespeare 1874

The Shade of Cocoa - Marquita B. 2020-08-15

Bella is a happy and inquisitive five-year old girl who loves to play with her friends, go to school, and spend time with her family. Everyone tells her how beautiful she is, but she doesn't feel as beautiful as the faces she sees on TV and in the magazines. Join Bella as she navigates a very important life lesson and learns to love the skin she is in. This captivating story for young children provides a message of empowerment and acceptance that readers of all ages can understand and enjoy.

The Concept of Representation - Hanna F. Pitkin 1967

This book arises out of Hannah Pitkin's doctoral dissertation and is considered by political

scientists to be the gold standard in terms of a philosophical treatment of the subject. Pitkin covers the historical evolution of thinking about representation from the Greeks through the founding of the American republic highlighting diverse thinkers and politicians like Edmund Burke, Jeremy Bentham, and James Madison as well as more contemporary scholars like Robert Dahl and Charles Lindblom.

To Sir, With Love - E. R. Braithwaite
2014-01-14

This schoolroom drama that inspired the classic Sidney Poitier film is “a microcosm of the racial issues . . . A dramatic picture of discrimination” (Kirkus Reviews). With opportunities for black men limited in post-World War II London, Rick Braithwaite, a former Royal Air Force pilot and Cambridge-educated engineer, accepts a teaching position that puts him in charge of a class of angry, unmotivated, bigoted white teenagers whom the system has mostly abandoned. When his efforts to reach these

troubled students are met with threats, suspicion, and derision, Braithwaite takes a radical new approach. He will treat his students as people poised to enter the adult world. He will teach them to respect themselves and to call him “Sir.” He will open up vistas before them that they never knew existed. And over the course of a remarkable year, he will touch the lives of his students in extraordinary ways, even as they in turn, unexpectedly and profoundly, touch his. Based on actual events in the author’s life, *To Sir, With Love* is a powerfully moving story that celebrates courage, commitment, and vision, and is the inspiration for the classic film starring Sidney Poitier.

The Soul's Destroyer, and Other Poems - William Henry Davies 1908

Song of the Open Road - Walt Whitman
2022-06-21

Walt Whitman's poem was first published in the 1856 collection *Leaves of Grass*.
