Afghanistan and other war veterans. Melanie Kline knows a little boy who tenses when his family goes to the airport. He's sure his father is headed for another deployment in Afghanistan. The child's father is dearer to him and his world a little less safe, since his country went to war on terror. No one in Kline's own family has been caught up in the fighting in Iraq and Afghanistan, but she has come to see that it affects her entire community. And she has rallied her small town to respond. Kline founded the Welcome Home Montrose project to offer mental health support, job and housing advice and other aid for returning warriors who are burdened by memories of war and uncertain of what their homecoming will mean. What she did not count on was how much the men and women who had served their country still had to give. Home of the Brave is about community and military service, and the possibilities born of creativity and commitment.

David Baker - Monika Herzig
2011-11-16

A Living Jazz Legend, musician and composer David Baker has made a distinctive mark on the world of music in his nearly 60-year career—as player (chiefly on trombone and cello),

composer, and educator. In this richly illustrated volume, Monika Herzig explores Baker's artistic legacy, from his days as a jazz musician in Indianapolis to his long-term gig as Distinguished Professor and Chairman of the Jazz Studies department at Indiana University. Baker's credits are striking: in the 1960s he was a member of George Russell's "out there" sextet and orchestra; by the 1980s he was in the jazz educator's hall of fame. His compositions have been recorded by performers as diverse as Dexter Gordon and Janos Starker, the Beaux Arts Trio, the Composer's String Quartet and the Czech Philharmonic. Featuring enlightening interviews with Baker and a CD of unreleased recordings and Baker compositions, this book brings a jazz legend into clear view.
