## *Cinema Sheet Music* - Donald J. Stubblebine 1991

Compiled from the author's own enormous collection and years of research, this book lists approximately 6,200 films and the music that was a part of them. Each entry gives the movie title, studio, year of release, stars, songs sung during the film (over 15,000 throughout the book), composers and/or lyricists, and a brief description of the album cover. This book is a necessity for sheet music collectors, musicians, historians and the general public who are interested in a greater knowledge of film music."

## **American Popular Music and Its Business: From 1900 to 1984** - Russell Sanjek 1988

This three-volume work tells the complete story of American popular songs, their authors, and the business they set in motion. Volume one explores the inception of the music publishing business in Elizabethan

England and traces music activity in England until 1790, examining popular balladry, copyright problems, the start of music printing, religious music, professional music makers, musical theater, eighteenth-century music, and such leading musical figures as Purcell, Handel, and Haydn. Also discussed are the beginnings of music in the United States, including musical theater, black music, and the Great Awakening and its relationship to music publishing [Publisher description].

*Pennies From Heaven* - Russell Sanjek 1996-08-21

The technological and economic revolutions of the twentieth century have transformed the music business many times over. *Pennies from Heaven* is the definitive account of those transformations, from Thomas Edison's cylinders to Digital Audio Tape, from the rise and fall of vaudeville to the advent of the huge entertainment conglomerates, from the sale of sheet music to the marketing of music videos. The book describes the workings of the performing rights organizations ASCAP and BMI; the growth of new genres, from rock to rhythm-and-blues, rap, and metal; the transformation of music radio from AM to FM; the strange career of the FCC; and trends to watch for in the music business as it enters the twenty-first century. The product of years of research, *Pennies from Heaven* undoubtedly ranks as one of the most essential and comprehensive books on American popular culture.

**Letting My Light Shine** - Nancy Petrey 2018-04-27

"Let your light so shine before men, that they will see your good works and give glory to your Father in heaven" (Matt. 5:16). That is Nancy Petrey's life verse, which provides the title for this, her sixth book. Nancy is a recorded pianist, as well as serving as a church pianist. From age 5 to age 78, her life has been filled with music. One of the major ways she has let her light shine for Jesus is through music, but there is much more to her story than music. Included are ministry times in churches with her husband Curtis and ministry as a "Mizpah for Israel." Nancy recalls her

musical exploits in high school, college, and in her career as a choral teacher in public schools, community musician, church choir director, composer, singer, and pianist. In varied settings, she learned to "bloom where she was planted," even resorting to comedy routines. Nancy writes about her hearing impairment and the miracles God did for her. At the end of the book are some original musical compositions, all based on the Bible. Nancy lives in Petrey, Alabama. She became a widow two years ago. She and Curtis have four children and 17 grandchildren. This book will be of interest to anyone interested in music, and wants to read about a life lived as a witness for Jesus.

We Sang and Whistled Then - John H Evans 2021-02-15

There is a magic to music—a feeling created that removes one from the humdrum constraints of everyday life to a wonderful make-believe world where, as famous lyricist E. Y. (Yip) Harburg put it in 'Over the Rainbow', troubles melt like lemon drops and dreams really do come true. In this book, you'll meet the men of the early twentieth century who wrote the most wonderful creative music the world has ever known. Their music was matched by the brilliance of the lyricists, who were indeed the poets of the modern age. These men created a superb anthology of popular music, a canon that today is justifiably known as the Great American Songbook.

**You Came into My Life** - Kenny Bernard 2011-12-12

In a different life, with different choices, I could have achieved fame and fortune, had a gold disc hanging from a wall or an Oscar on my mantelpiece. But I have never been one for regrets. You make your choices, you have your share of luck and you only remember the good times. And boy, were there some good times. I have been very fortunate in my life to play at some of the greatest stages in England and to meet some truly amazing stars. I have equally had just as much enjoyment playing intimate gigs and local venues. I sometimes hear these famous songs on the radio or see these great names being interviewed and wondered whether that could have been me. But had that happened, where would I be and who would I have become? I doubt very much I would be writing this book today. I have learnt from the bad times and

loved having the good times. I wouldn't have changed a thing.

**Billboard** - 1954-05-01

*Me and Sister Bobbie* - Willie Nelson 2020

"Abandoned by their parents as toddlers, Willie and Bobbie Nelson found their love of music almost immediately through their grandparents, who raised them in a dusty small town in east Texas. Their close relationship ... is the longest-lasting bond in either of their lives. In alternating chapters, this ... dual memoir weaves together their lives as they experienced them both side-by-side and apart with powerful, emotional stories from growing up, playing music in public for the first time, and the trials they each faced in adulthood as Willie pursued a songwriting career and Bobbie faced a series of challenging relationships and a musical career that only took off when attitudes about women began to change in Texas"--

**Dean Martin** - 1998

**George Michael** - James Gavin 2022-06-28

The definitive biography of George Michael, offering an expansive look at the troubled life of the legendary singer, songwriter, and pop superstar

George Michael was an extravagantly gifted, openhearted soul singer whose work was both pained and smolderingly erotic. He was a songwriter of true craft and substance, and his music swept the world, starting in the mid-1980s. His fabricated image—that of a hypermacho sex god—loomed large in the pop culture of his day. It also hid—for a time—the secret he fought against revealing: Michael was gay. Soon his obsession with fame would start to backfire. As one of the industry's most privileged yet tortured men began to self-destruct, the press showed little sympathy. *George Michael: A Life* explores the compelling story of a superstar whose struggles, as well as his songs, continue to touch fans all over the world. Acclaimed music biographer James Gavin traces Michael's metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering, dominant half of the leading British pop duo of the 1980s Wham!; he then details Michael's sensational solo career and its subsequent unraveling. With deep analysis of the creative process behind Michael's albums, tours, and music videos, as well as interviews with hundreds of his friends and colleagues, *George Michael: A Life* is a probing, definitive portrait of a pop legend.

**Billboard** - 1953-10-31
