My First 100 Words: - 2005

Oxford Picture Dictionary - Jayme Adelson-Goldstein 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

McGraw-Hill's Spanish Picture Dictionary - McGraw-Hill Education 2004-02-12

Gives exciting new meaning to the old adage that a picture is worth a thousand words Perfect for children ages four-nine, these references employ stunning illustrations and photographs to bring to life the meanings of hundreds of essential terms. Filled with beautiful two-page spreads, McGraw-Hill's Spanish Picture Dictionary and McGraw-Hill's French Picture Dictionary each pictorially define more than 1,400 objects, people, concepts, and actions common to the everyday world of kids—from town and country, kitchen to classroom. Following the curricula of U.S. primary-school Spanish and French programs, the dictionaries also provide key phrases for children's first conversations incorporated within illustrated minidiálogos that provide models for making introductions, commenting on the weather, stating their age, talking about what they are wearing, and other basic conversational situations. A great way to introduce Spanish and/or French, the dictionaries feature: Pictorial definitions of more than 1,400 essential words and phrases A blend of illustrations and photographs that will appeal to children of differing sensibilities Engaging scenes and double-page spreads that capture the mind and imagination

**The Cat in the Hat Beginner Book Dictionary** - P.D. Eastman 1964-08-12

A silly book with a serious purpose—to help children recognize, remember, and really enjoy using a basic vocabulary of 1350 words. Written and illustrated by P. D. Eastman—with help from the Cat (Dr. Seuss)—this decades-old dictionary pairs words with pictures that carry their meaning, making it simple enough even for nonreaders to understand. A wacky cast of characters reappears throughout the book, making this perhaps the only dictionary in the world that is actually fun to read!

Webster's Spanish-English Dictionary for Students - Merriam-Webster, Inc 2003
