**Defend This Old Town** - Carol Kettenburg Dubbs 2004-10-01

Defend This Old Town is a riveting war epic of local scale and human dimensions. Taking its title from the cry raised in Williamsburg as the Federal army approached in 1862, Carol Dubbs's narrative sweeps us into the lives of residents of this small historic city from the secession of Virginia in 1861 to Lee's surrender four years later. Williamsburg's Civil War ordeal has never before been told in such depth. Located midway on the only land route between Richmond and the Union-held Fort Monroe, on the tip of the Virginia Peninsula, Williamsburg hosted Confederate troops for the first year of war while defensive earthworks were built across the area. After the Battle of Williamsburg on May 5, 1862 -- a bloody clash neither side sought but each claimed as victor -- Union forces began an occupation of the town that lasted with only short interruptions until the end of the war. Those residents who had not fled remained to stubbornly defend their homes. Dubbs scripts a compelling chronicle of these events, interweaving quotes from diaries,

letters, memoirs, and military memoranda to bring immediacy to her subject. Balancing the grim experiences of combat, shortages, tending the dead and wounded, the college's burning, restive servants, typhoid breakout, and isolation from the rest of the Confederacy are some lighter interludes: the Union marshal who arrived with his saddlebags packed with shoes and dresses to win the good opinion of the town's females; the first taste of freedom for blacks; and the issuance of travel passes -- including one to an especially sharp-tongued matron, with the order never to return. Maps, period photographs, order of battle, and a bibliography complete this substantial, comprehensive, and entertaining work. Defend This Old Town is certain to engage anyone who enjoys good history.

**Prize and Prejudice** - Faye Margaret Kert 2017-10-18

This journal examines privateering and naval prizes in Atlantic Canada in the maritime War of 1812 - considered the final major international manifestation of the practice. It seeks to contextualise the role of privateering in the nineteenth century; determine the causes of, and reactions to, the War of 1812; determine the legal evolution of prize law in North America; discuss the privateers of Nova Scotia and New Brunswick, and the methods they utilised to manipulate the rules of prize making during the war; and consider the economic impact of the war of maritime communities. Ultimately, the purpose of the journal is to examine privateering as an occupation in order to redeem its historically negative reputation. The volume is presented as six chapters, plus a conclusion appraising privateering, and seven appendices containing court details, prize listings, and relevant letters of agency.

*Clifton William Scott and Mildred Evelyn Bradford Scott of Ashfield, Mass* - Fred W. Scott 2004

Volume 1 of Clifton William Scott...is the rich heritage of a New England family. Fond remembrances of the author's parents are provided by family and friends. Brief family histories of eight branches of the family tree--Scott, Bradford, Taylor, Robinson, Williams, Porter, Shaw, and Ranney--are followed from the immigration of each patron ancestor during the great migration of 1620-1643 from England to either the Pilgrim's Plymouth Colony or the Puritan's Massachusetts Bay Colony, then to the Connecticut Valley towns, and finally to the Berkshire Hills towns of Buckland and Ashfield. Scott and Bradford descendants to the present time are documented, as are the numerous Pilgrim connections to the 1620 Mayflower passengers.

**A Southern Exposure** - Alice Adams 2011-06-08

"What a terrific book. I loved its rich, recognizable characters, the intricacies and excitement of the plot, the beauty of the writing." --Anne Lamott Reaching back to the Great Depression, and with all the insight, tenderness, and extraordinary narrative power that have been the hallmark of her writing, Alice Adams once again illuminates the workings of the human heart. When Harry and Cynthia Baird flee south from Connecticut to Pinehill, they hope to find a simpler, and cheaper, way of life, and a refuge from the burdens of their life in the North. What they find, in the small societies of a college town, each with its own intricate and beguiling etiquette is a deeper involvement in private scandals, long-held secrets, dangerous love affairs, dreams, desires, fears, betrayals.
