**Choose This Day** - T. B. Henderson 2017-03-13

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

*Harold Rosenberg* - Debra Bricker Balken 2021-10-06

"The biography recounts Rosenberg's full story for the first time. Art critic for *The New Yorker* from 1962 until 1978, Rosenberg, together with Clement Greenberg, radically reshaped the interpretation of art in the post-World-War-II period by promoting and examining abstract expression. But Rosenberg was also a social and literary critic-writing about art was just one aspect of his work. *Harold Rosenberg: A Critic's Life* weaves together Rosenberg's life and literary production, cast against the dynamic intellectual and social ferment of his time. Rosenberg's mid-century linking of the New York School with the art establishment, together with his observations on the commodification of the artwork and the evisceration of the "self" in favor of celebrity (especially in his often-cited essay "The Herd of Independent Minds") make this book especially topical"--

**The Anatomy of Perception** - A.J. Rose 2015-03-21

In the beginning, there was wreckage. Dane Perry's mother was dead, and the father who always said he'd amount to nothing blamed him. Dane swore he'd become something. He would be someone. In the middle, there was escape. Rebuilding his life from the ashes of his mother's memory, Dane found success as a respected surgeon, and love in the form of Craig Dahl, a talented artist who became his everything. But there was also darkness, lies, and a crumbling foundation just waiting for the ground to shift. In the end, there was a spectacular fall, illusions shattered, and for Dane, nothing more to lose. He was broken, damaged, and left with fierce demons. But from the bottom, the only way left is up. Dane renewed friendships and salvaged his career. The only thing he cannot replace is Craig. But Dane has a plan. Brick by brick, his foundation is rebuilt, and all he needs is for Craig to listen one last time. In the beginning again, there's hope and tatters of love. Can Dane repair the damage with Craig? Can he rescue the only thing he amounted to that ever truly mattered? This book contains vivid descriptions of symptoms of PTSD and events that can cause anxiety. Reader discretion advised.

**Mediating Peace** - Sebastian Kim 2016-01-14

This volume examines the role and contributions of art, music and film in peace-building and reconciliation, offering a distinctive approach in various forms of art in peace-building in a wide range of conflict situations, particularly in religiously plural contexts. As such, it provides readers with a comprehensive perspective on the subject. The contributors are composed of prominent scholars and artists who examine theoretical, professional and practical perspectives and debates, and address three central research questions, which form the theoretical basis of this project: namely, 'In what way have particular forms of art enhanced peace-building in conflict situations?', 'How do artistic forms become a public demonstration and expression of a particular socio-political context?', and 'In what way have the arts played the role of catalyst for peace-building, and, if not, why not?' This volume demonstrates that art contributes in conflict and post-conflict situations in three main ways: transformation at an individual level; peace-building between communities; and bridging justice and peace for sustainable reconciliation.

*Turning This Thing Around* is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, *Turning This Thing Around* has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, *Turning This Thing Around* is a story of a normal young man's resiliency when battling extraordinary circumstances.

In the isolated rural valley of Terrene, where technology is grown, not manufactured, Flora Karachi paints her anguish with flowers and yearns to travel outside the mountain walls that guard her village. But in a society which values harmony and symmetry above all else, her dangerous curiosity and her indelicate scars, earned from a lifetime of inexplicable blackouts, make her an outcast with few prospects for adventure. Then the dreams come. Lucid and overpowering, they throw Flora into a fascinatingly advanced world where she lives the life of Jane Ingram, an American scientist fighting global climate change while trying to raise a child in a society where interpersonal interaction is becoming obsolete. Flora's blackouts open a window into knowledge lost long ago and possibilities that are yet to come. To unravel these mysteries, she must travel to the enigmatic Institute, an ancient enclave hidden in the surrounding mountains, where scholars guard the secrets of Terrene. Living two lives, Flora will fight to become an Institute scholar in her own world while struggling to save the planet from humanity's neglect in Jane's. Yet all of Flora's courage combined with all of Jane's experience may not be enough to defeat the powerful forces protecting the secret which ties their two worlds together. To find salvation for both worlds, Jane and Flora must sacrifice their own dreams, conquer their fears, and discover hope for a new beginning. Hailed as a clever blend between science fiction and fantasy, *Terrene* explores the challenges of accelerating technology and global climate change through the stories of two remarkable women in two worlds that are not as distant as they seem.

*Free Roll* - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

*A Complicated Legacy* - Robert H. Stucky 2014-05-23

If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

*Finding Me* - Viola Davis 2022-04-26

OPRAH'S BOOK CLUB PICK • A HARPERS BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST ANTICIPATED BOOK "It's clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; *Finding Me* reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all."—USA Today "[A] fulfilling narrative of struggle and success....Her gorgeous storytelling will inspire anyone wishing to shed old labels."—Los Angeles Times In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote *Finding Me*, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing their way through murky memories, trying to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be . . . you. *Finding Me* is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you.

**Park Avenue Prince** - Louise Bay 2017

THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what

she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f\*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. *What Do Pictures Want?* - W. J. T. Mitchell 2005-06-15

The author argues that we need to reckon with images not merely as inert objects that convey meaning but as animated beings with desires, needs, appetites, and drives of their own. He explores this idea and highlights his innovative and profoundly influential thinking on picture theory and the lives and loves of images.

*What Do Pictures Want?* - W. J. T. Mitchell 2013-12-23

Why do we have such extraordinarily powerful responses toward the images and pictures we see in everyday life? Why do we behave as if pictures were alive, possessing the power to influence us, to demand things from us, to persuade us, seduce us, or even lead us astray? According to W. J. T. Mitchell, we need to reckon with images not just as inert objects that convey meaning but as animated beings with desires, needs, appetites, demands, and drives of their own. *What Do Pictures Want?* explores this idea and highlights Mitchell's innovative and profoundly influential thinking on picture theory and the lives and loves of images. Ranging across the visual arts, literature, and mass media, Mitchell applies characteristically brilliant and wry analyses to Byzantine icons and cyberpunk films, racial stereotypes and public monuments, ancient idols and modern clones, offensive images and found objects, American photography and aboriginal painting. Opening new vistas in iconology and the emergent field of visual culture, he also considers the importance of Dolly the Sheep—who, as a clone, fulfills the ancient dream of creating a living image—and the destruction of the World Trade

Center on 9/11, which, among other things, signifies a new and virulent form of iconoclasm. *What Do Pictures Want?* offers an immensely rich and suggestive account of the interplay between the visible and the readable. A work by one of our leading theorists of visual representation, it will be a touchstone for art historians, literary critics, anthropologists, and philosophers alike. "A treasury of episodes—generally overlooked by art history and visual studies—that turn on images that 'walk by themselves' and exert their own power over the living."—Norman Bryson, *Artforum*
