Moses, Citizen And Me - Delia Jarrett-Macauley 2012-09-06

When Julia flies in to war-scarred Sierra Leone from London, she is apprehensive about seeing her Uncle Moses for the first time in twenty years. But nothing could have prepared her for her encounter with her eight-year-old cousin, Citizen, a former child soldier, and for the shocking truth of what he has done. Driven by a desire to understand Citizen, Julia takes the disturbed child into the 'bush'. There they meet other child soldiers, and a story-teller, Bemba G., who provides a safe haven for them all and strives to return them to childhood through play, love, story-telling and performance. As Julia gradually rediscovers Africa, the different generations of her family rediscover their bonds. And then Bemba G. directs the child soldiers in a version of Shakespeare's Julius Caesar, with powerful effect.

More Matter - John Updike 2009-02-19

In this collection of nonfiction pieces, John Updike gathers his responses to nearly two hundred invitations into print, each "an opportunity to make something beautiful, to find within oneself a treasure that would otherwise remain buried." Introductions, reviews, and humorous essays, paragraphs on New York, religion, and lust—here is "more matter" commissioned by an age that, as the author remarks in his Preface, calls for "real stuff . . . not for the obliquities and tenuosities of fiction." Still, the novelist's shaping hand, his gift for telling detail, can be detected in many of these literary considerations. Books by Edith Wharton, Dawn Powell, John Cheever, and Vladimir Nabokov are incisively treated, as are biographies of Isaac Newton, Abraham Lincoln, Queen Elizabeth II, and Helen Keller. As George Steiner observed, Updike writes with a "solicitous, almost tender intelligence. The critic and the poet in him . . . are at no odds with the novelist; the same sharpness of apprehension bears on the object in each of Updike's modes."

More from the Gluten-free Gourmet - Bette Hagman 2007-04-01

From the author of *The Gluten-free Gourmet*, the best selling cookbook for the millions who are gluten-intolerant or allergic to wheat, here are 267 tasty, gluten-free dishes Bette Hagman's second book offers more recipes for baked goods as well as a smorgasbord of recipes for international dishes in "safe" versions -- a lovely variety of meat, poultry, seafood, rice, bean and pasta dishes with a distinctive flair. For those who wonder how to achieve a flavorful, exotic and gluten-free meal, this book has all the answers, from curries to tempuras and from quiches to Mexican mole. Also, this book provides more recipes for some traditional dishes such as casseroles, vegetables, soups and tasty treats for celiac children and adults alike. With updated, expanded lists of suppliers and celiac organizations, this indispensable book also includes an introduction by Betty Bernard, M.D., associate professor of pediatrics at the University of Southern California, who says, "More from the Gluten-free Gourmet is a superb guidebook to fine dining and the best of health for gluten-sensitive individuals."

Mother, Mother - Koren Zailckas 2014-07-08

From Koren Zailckas, author of the iconic memoir *SMASHED*: an electrifying debut novel about a family being torn apart by the woman who claims to love them most Josephine Hurst has her family under control. With two beautiful daughters, a brilliantly intelligent son, a tech-guru of a husband, and a historical landmark home, her life is picture perfect. But living in this matriarch's determinedly cheerful, yet subtly controlling domain hasn't been easy for her family, and when her oldest daughter, Rose, runs off with a mysterious boyfriend, Josephine tightens her grip, gradually turning her flawless home into a darker sort of prison. Resentful of her sister's newfound freedom, Violet turns to eastern philosophy, hallucinogenic drugs, and extreme fasting, eventually landing herself in a psych ward. Meanwhile, her brother, Will, recently diagnosed with Asperger's, shrinks further into a world of self-doubt. Their father, Douglas, finds resolve in the bottom of a bottle—an addict craving his own chance to escape. Josephine struggles to maintain the family's impeccable façade, but when a violent incident leads to a visit

from child protective services, the truth about the Hursts might finally be revealed. Now with Extra Libris material, including a reader's guide and bonus content

Moss Bluff Rebel - Philip Robert Caudill 2009-02-10

So wrote Texas pioneer cattle drover William Berry Duncan in his March 1862 diary entry, the day he joined the Confederate Army. Despite his misgivings, Duncan left his prosperous business to lead neighbors and fellow volunteers as commanding officer of cavalry Company F of Spaight's Eleventh Battalion that later became the 21st Texas Infantry in America's Civil War. Philip Caudill's rich account, drawn from Duncan's previously untapped diaries and letters written by candlelight on the Gulf Coast cattle trail to New Orleans, in Confederate Army camps, and on his southeast Texas farm after the war, reveals the personable Duncan as a man of steadfast integrity and extraordinary leadership. After the war, he returned to his home in Liberty County and battled for survival on the chaotic Reconstruction-era Texas frontier. Supplemented by archival records and complementary accounts, *Moss Bluff Rebel* paints a picture of everyday life for the Anglo-Texans who settled the Mexican land grants in the early nineteenth century and subsequently became citizens of the proudly independent Texas Republic. The carefully crafted narrative goes on to reveal the wartime emotions of a reluctant Confederate officer and his postwar struggles to reinvent the lifestyle he knew before the war, a way of life he sensed was lost forever. *Moss Bluff Rebel* will appeal to history lovers of all ages attracted to the drama of the Civil War period and the men and women who shaped the Texas frontier.

Morgan's Mercenaries: Heart of Stone - Lindsay McKenna 2009-05-01

They had met before. Battled before. And Captain Maya Stevenson had never again wanted to lay eyes on Major Dane York—the man who had once tried to destroy her military career. But she was ready for him now. This time, they were on her turf—on her mission. Dane knew this assignment was his last chance to save his career. And Maya wasn't going to make it easy. Even though he sensed she knew she needed his expertise. And even though there was something happening behind the flash of her eyes that spelled wanting, and tenderness, and danger.

More Like Her - Liza Palmer 2012-04-17

A brilliant, hilarious, and touching story from the author of *Conversations with the Fat Girl*, Liza Palmer's *More Like Her* is smart, funny, though-provoking women's fiction in the vein of Emily Giffin, Marian Keyes, Meg Cabot, and Jane Green. *More Like Her* is the story of a seemingly perfect woman who's the envy of her friends, neighbors, and co-workers...until the life of the object of their jealousy spectacularly, unexpectedly, and disastrously explodes. A novel of secrets, disappointments, false impressions—and what really goes on behind those suburban picket fences—*More Like Her* is ultimately about facing reality and appreciating everything that life has to offer.

More Confessions of a Hostie - Danielle Hugh 2013-10-01

Planes travel fast; for airline crew, good gossip travels faster. In this sequel to bestselling "*Confessions of a Hostie*", international flight attendant Danielle Hugh entertains and shocks in equal measure with more turbulent tales of life in the sky. Intense shopping, jetlag, poltergeist passengers, mile-high-club contenders and sick bags all put in an appearance, as do Danielle's 'earthling' boyfriend, Dean, her best friend, Helen, and her promiscuous fellow hostie, Mary-go-round. So, fasten your seatbelts, ensure your seat is fully upright, your tray-table stowed and join Danielle on her (sometimes) glamorous journey through life and relationships high above the clouds.

MotherKind - Jayne Anne Phillips 2013-09-30

Kate - whose care for her terminally ill mother coincides with the birth of her first child in the early months of a young marriage - must, in a single year, come to terms with radiant beginnings and profound loss. Kate's everyday world is enveloped by the gradual vanishing of her mother. And as the woman who has been her best friend and mentor disappears, we

see Kate deal with timeless, perhaps unanswerable, questions of love and death.

Mortlock - Jon Mayhew 2010-06-07

The sister is a knife thrower in a magician's stage act, the brother is an undertaker's assistant. Neither orphan knows of the other's existence. Until, that is, three terrible Aunts descend on the girl's house and imprison her guardian, the Great Cardamom. His dying act is to pass the girl a note with clues to the secret he has carried to his grave.

Cardamom was one of three explorers on an expedition to locate the legendary Amarant, a plant with power over life and death. Now, pursued by flesh-eating crow-like ghuls, brother and sister must decode the message and save themselves from its sinister legacy.

More Paintbox Knits - Mary H. Bonnette 2003-02-03

These popular designers are back with more whimsical knits for kids, made up in their signature color schemes and carefree, kid-friendly style. More than 40 designs for boys and girls feature pullovers, pants, hats, and socks. Sizes range from toddler to children's sizes 6-10. Most projects use cotton yarns and incorporate adorable details like ruffled necklines and picot edgings.

More Equal Than Others - Godfrey Hodgson 2009-01-10

During the past quarter century, free-market capitalism was recognized not merely as a successful system of wealth creation, but as the key determinant of the health of political and cultural democracy. Now, renowned British journalist and historian Godfrey Hodgson takes aim at this popular view in a book that promises to become one of the most important political histories of our time. *More Equal Than Others* looks back on twenty-five years of what Hodgson calls "the conservative ascendancy" in America, demonstrating how it has come to dominate American politics. Hodgson disputes the notion that the rise of conservatism has spread affluence and equality to the American people. Quite the contrary, he writes, the most distinctive feature of American society in the closing years of the twentieth century was its great and growing inequality. He argues that the combination of conservative ideology and corporate power and dominance by mass media obsessed with lifestyle and celebrity have caused America to abandon much of what was best in its past. In fact, he writes, income and wealth inequality have become so extreme that America now resembles the class-stratified societies of early twentieth-century Europe. *More Equal Than Others* addresses a broad range of issues, with chapters on politics, the new economy, immigration, technology, women, race, and foreign policy, among others. A fitting sequel to the author's critically acclaimed *America In Our Time*, *More Equal Than Others* is not only an outstanding synthesis of history, but a trenchant commentary on the state of the American Dream.

Mortal Kiss - Alice Moss 2011-03-15

What would you sacrifice for a kiss? When smoldering Finn and sexy Lucas arrive in the quiet New England town of Winter Mill, life starts to get very complicated for Faye McCarron. But two boys battling for her heart is just the start and events in the town turn sinister. There's a dead body in the woods, a motorcycle gang on the prowl, and the snow just won't stop falling. Something evil is at work and only Faye and her best friend, Liz, can stop it. As the temperature drops and Halloween draws close, they must discover the dark and sinister secret at the heart of Winter Mill—before it is too late.

More Than Love Letters - Rosy Thornton 2010-01-04

When Richard Slater receives a letter of complaint from one of his constituents, a Margaret Hayton, he merely responds with his standard letter of empty promises. Clearly, this woman is insane and must be avoided at all costs. But she will not be dismissed so easily, and when Richard finally sets eyes on the `twenty-something vision in stone-washed denim, with a cloud of dark ringlets and huge, serious eyes? he risks losing his heart, his head and quite possibly his political career.

Mother of My Heart, Daughter of My Dreams - Rachel Fell McDermott

2001

This text chronicles the rise and subsequent fortunes of goddess worship (Saktism) in the region of Bengal from the middle of the 18th century to the present. McDermott places the advent of the Sakta lyric in its historical context.

More Good Old Stuff - John D. MacDonald 2013-06-11

More Good Old Stuff, a classic collection of short fiction from crime writer John D. MacDonald, the beloved author of *Cape Fear* and the Travis McGee series, is now available as an eBook. The companion to *The Good Old Stuff*, this anthology features fourteen more early stories by one of America's premier authors of hard-boiled noir. Culled from the hundreds that John D. MacDonald published in the wildly popular pulp magazines of the 1940s and '50s, these are electrifying tales of murder, corruption, intrigue, and revenge: a serial widow making a fortune by murdering her husbands . . . an amnesiac being watched by the mob . . . an ex-cop trying to crack the case that nearly wrecked his life. All are told through MacDonald's vivid language and taut storytelling—the hallmarks of a writer who holds a distinguished place in the popular canon. This collection includes "Deadly Damsel," "State Police Report That . . .," "Death for Sale," "A Corpse in His Dreams," "I Accuse Myself," "A Place to Live," "Neighborly Interest," "The Night Is Over," "Secret Stain," "Even Up the Odds," "Verdict," "The High Gray Walls of Hate," "Unmarried Widow," and "You Remember Jeannie." Features a new Introduction by Dean Koontz Praise for John D. MacDonald "The great entertainer of our age, and a mesmerizing storyteller."—Stephen King "My favorite novelist of all time."—Dean Koontz "To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen."—Kurt Vonnegut "A master storyteller, a masterful suspense writer . . . John D. MacDonald is a shining example for all of us in the field. Talk about the best."—Mary Higgins Clark

Sometimes, to help a friend, you have to dig deep.

More Lives than One: A Biography of Hans Fallada - Jenny Williams 2012-02-02

Hans Fallada was a drug addict, womanizer, alcoholic, jailbird and thief.

Yet he was also one of the most extraordinary storytellers of the twentieth century, whose novels, including *Alone in Berlin*, portrayed ordinary people in terrible times with a powerful humanity. This acclaimed biography, newly revised and completely updated, tells the remarkable story of Hans Fallada, whose real name was Rudolf Ditzgen. Jenny Williams chronicles his turbulent life as a writer, husband and father, shadowed by mental torment and long periods in psychiatric care. She shows how Ditzgen's decision to remain in Nazi Germany in 1939 led to his self-destruction, but also made him a unique witness to his country's turmoil. *More Lives Than One* unpicks the contradictory, flawed and fascinating life of a writer who saw the worst of humanity, yet maintained his belief in the decency of the 'little man'.

More Room in a Broken Heart - Stephen Davis 2012-01-10

A love song to an American icon: the first full-length biography of Carly Simon, from an acclaimed music journalist who has known her for decades. Carly Simon has won two Grammys and an Academy Award, and her albums have sold more than forty million copies. Her music has touched countless lives since her debut in the 1970s, yet her own life story has remained unpublished-until now. Tapping private archives, family interviews, and a forty-year friendship with the legend herself, Stephen Davis at last captures Carly Simon's extraordinary journey from shy teenager to superstar. *More Room in a Broken Heart* candidly covers everything her fans want to know, including: Growing up with her father, publishing mogul Richard Simon The Bob Dylan turning point that launched her career The real story behind "You're So Vain" Carly's severe stage fright (she's the only musical guest to pretape an SNL segment) Romantic involvements with Mick Jagger, Warren Beatty, and Cat Stevens How Carly and James Taylor went from being pop music's reigning couple to independent souls living at opposite ends of Massachusetts Surviving breast cancer Her recent financial and spiritual crises Along the way, Davis vividly takes readers back to some of the most powerful eras in American music history and delivers a tribute worthy of the artist and her loyal fans, who know that nobody does it better than Carly Simon.

Mother-Daughter Duet - Cheri Fuller 2010-02-16

A harmonious relationship is possible When your daughter was born, you had a thousand hopes and dreams for her. . .including that one day you'd be best friends. But as life unfolds, even the best intentions go awry. There are so many challenges on the journey to adult friendship that the reality is fraught with friction and frustration. Thankfully, a harmonious relationship with your daughter is possible. Written by a mother and daughter who have successfully navigated the minefield from distance and tension to acceptance and friendship, *Mother-Daughter Duet* helps moms open wide the door of communication so that daughters want to walk through it. Filled with personal anecdotes and based on proven principles, each chapter offers timeless wisdom as well as a daughter's perspective. Often these principles apply to daughters-in-law as well. The relationship between mothers and daughters is intense, personal, complex, and unique. But you can have the loving, authentic bond you always dreamed of—when you learn the mother-daughter duet.

Mother of Sorrows - Richard McCann 2011-04-13

With the breadth and cumulative force of a novel, *Mother of Sorrows* presents ten interwoven stories of an American family starting out in the post—World War II suburbs of Washington, D.C., a world of identical brick houses and sunstruck, treeless lawns, a world of initial hopefulness from which shame and loss have seemingly been banished. This is the story of two adolescent brothers whose father has suddenly died, and of their beautiful and complicated mother, a mother whom the younger son worshipfully imagines as “Our Mother of the Sighs and Heartaches . . . Our Mother of the Gorgeous Gypsy Earrings . . . Our Mother of the Late Movies and the Cigarettes . . . Our Mother of Sudden Attentiveness . . . Our Mother of Sudden Anger.” This is the brother who narrates these tales as he looks back thirty years later, the only remaining survivor of a world he seeks both to leave behind and to preserve in words forever, a world of sorrow that has held him spellbound even as he has attempted to create a life of his own. Suffused with the beauty of Richard McCann's

extraordinary language, *Mother of Sorrows* introduces us to a voice that is urgent, contemplative, elegant, angry, revelatory, and like no other in contemporary fiction.

More Than a Dream - Lauraine Snelling 2003

Sudden tragedy puts their faith--and lives--on the line in this compelling conclusion to the bestselling series from Lauraine Snelling.

Mortal Allies - Brian Haig 2002-05-02

JAG lawyer Sean Drummond has gotten himself in way over his head -- with a case that challenges his deepest fears and a co-counselor who challenges just about everything else. Assigned to South Korea as an advocate for a gay officer accused of brutally killing the son of a South Korean war hero, Drummond is teamed up with an old law-school nemesis. Katherine Carson is a curvy, liberal, William Kunstler-like attorney with a reputation for manipulating the media on behalf of her mostly gay clients. Drummond is as distraught to be working with a woman who knows how to push all his buttons as he is to be defending this client. However, it's just this lack of political correctness that makes him the one man the CIA can trust with its disturbing secrets, and Drummond quickly learns that what appears to be an open-and-shut case is really just the top layer of a deep conspiracy.

Motherhood in the Twenty-First Century - Mariam Alizade 2018-02-10

Mothers in the twenty-first century confront us, both in clinical practice and in theory, with fascinating challenges that to some extent subvert the traditional maternal ideal: the motherhood of single women, motherhood in which the mother-child relationship seems minimal (in the case of very busy working mothers), teenage motherhood in which there is no true awareness of the maternal function, motherhood in couples of homosexual women, men who take upon themselves the maternal function (men-mothers), complex motherhood by virtue of the multiple variants that have nowadays become possible thanks to new reproductive techniques, shared motherhood, surrogate motherhood, sublimated motherhood, perverse motherhood. Psycho-history, the accumulation and variety of psychoanalytic theories of femininity and motherhood, the contribution of gender studies, cross-disciplinary research, and listening to what our patients have to say - all this has yielded, in the past few decades, much controversial data that challenges orthodox classical thinking with respect to the role and function of women as mothers.

More Common Ground for International Competition Law? - Josef Drexl 2011-01-01

'This volume contains many excellent chapters on some of the most cutting edge topics in competition law today. Among the contributions are assessments of new approaches to competition law analysis, analyses of central and controversial topics in the relationship between competition law and intellectual property, and explorations of new transnational developments in China and elsewhere. The chapters range from studies of specific cases to broad interpretations of major trends. I found many of them to be highly insightful and very useful.' - David J. Gerber, Chicago-Kent College of Law, US 'This fresh collection of essays by scholars from around the world lives up to its title: it stakes out more common ground for the competition law systems of nations. The chapters result from the fourth annual conference of the Academic Society for Competition Law (ASCOLA). The essays cover major issues that reverberate around the world today, including: How should we think about the economic foundations of competition law in view of new research on behavioral economics and consumer choice? What is the future of the treatment of resale price maintenance? What is the proper fit of intellectual property with competition law? And how do we promote competition law and policy across borders? The collection offers insight from law, economics, political science, business strategy, and history.' - Eleanor Fox, New York University, US In recent years, an impressive proliferation of competition laws has been seen around the world. Whilst this development may lead to greater diversity of approaches, economic arguments may promote convergence. The contributions to this book look at a number of most topical issues by asking whether the competition world is turning more towards convergence or diversity. These issues include, among others, the changing role of economics in times of economic crises and political change, the introduction of criminal sanctions, resale-price maintenance, unilateral conduct and the application of competition law to intellectual property and state-owned enterprises. *More Common Ground for International Competition Law* will appeal to academics, PhD students, and postgraduate students law and economics, members of competition agencies, legal practice and international business.

More Brilliant Answers - AQA 63336 2010-08-06

Five years, two million customers, twenty million questions, and now this, the fourth book of texts from AQA 63336, the UK's most accurate text question and answer service. More Brilliant Answers highlights the weirdest, most difficult, strangest and funniest as well as revealing the most popular questions texted by the British public to 63336 over the last year. It includes prime Q&As including: Q. What was Noah's wife called? A. Noah's wife is not named in the Bible, but according to Jewish tradition her name was Naamah. 10% of Americans think Joan of Arc was Noah's wife; Q. What's smellier than an anchovy? A: Far smellier than an anchovy is titan arum, the world's smelliest plant, stinking of rotting flesh. Don't use in a bouquet, unless you want to break up; Q. How much does a ghost weigh? A. The average ghost weighs just 544g (1.2lb). Coincidentally, this is the exact same weight as the average white cotton bedsheet, minus 2 eye holes. AQA is enduringly popular, as customers' and readers' comments show: 'You should be congratulated on hiring such humorous people'; 'AQA's word is now gospel in our lives'; 'Do you have any remedies for being addicted to AQA?'; 'I love AQA. You are like a big fat person who is all jolly and soft and I just want to hug you.'

More Than a Mistress - Ann Lethbridge 2011-05-24

"Charles Mountford, Marquis of Tonbridge, has long felt the weight of responsibility. He knows he must do his duty and take a wife. But when he's left snowbound with the unconventional Miss Honor Meredith Draycott, he finds that his inner rogue wants to come out to play. Merry doesn't need a man--no matter how handsome he is. Sadly, society takes a different view. Charlie is more than happy to make her socially acceptable, but only if she acts publicly as his betrothed and privately as his mistress"--P. [4] of cover.

Morphology, Anatomy, Taxonomy, and Ecology - B Zuckerman 2012-12-02

Plant Parasitic Nematodes, Volume 1: Morphology, Anatomy, Taxonomy, and Ecology is a masterful reference work in nematology that also includes information about ultrastructure, enzymology, and chemistry of body composition; culturing; virus transmission; biological races; and nature of plant resistance. This volume includes a discussion of the history and development of plant nematology, the status of research on this field, and information pertaining to professional societies and publications. It also discusses nematode morphology, anatomy, taxonomy, and ecology, including the origin of plant nematodes and population dynamics. It features drawing examples of free-living and animal parasitic nematodes. This treatise is written to provide an up-to-date reference source for students, lecturers, and research professionals in plant parasitology, specifically nematology, and related fields.

More Than It Hurts You - Darin Strauss 2008-06-19

Read Darin Strauss's posts on the Penguin Blog Josh Goldin's happy yet unexamined existence is shattered one morning when his wife, Dori, rushes their eight-month-old son to the emergency room in severe distress. Dr. Darlene Stokes, an African-American physician and single mother, suspects Munchausen by proxy, a rarely diagnosed and controversial phenomenon where a mother intentionally harms her baby. As each of them is forced to confront a reality that has become a

nightmare, Darlene, Dori, and Josh are pushed to their breaking points. Darin Strauss's extraordinary novel is set in a world turned upside down--where doctors try to save babies from their parents, police use the law to tear families apart, and the people you think you know best end up surprising you the most.

Most Likely to Succeed at Work - Wilma Davidson 2004-10-14

As Kurt Vonnegut once said, "True terror is to wake up one morning and discover that your high school class is running the country." When it comes down to it, work--with its know-it-alls, gossips, and brown-noser--is a lot like high school. This clever and useful book helps readers identify and better communicate with these and other common types we all remember from the days when report cards, not business reports, were our concern, and when the big social event was the prom, not the company picnic. You don't need to dig out your yearbook to get a glimpse of these types--just take a look around your office: the Teacher's Pet, the Player, the Cheerleader, the Go-Getter, the Underachiever, the Class Clown, and many more. With wit and uncanny accuracy, corporate coaches Wilma Davidson and Jack Dougherty outline all the members of the "class," offering tips on working efficiently with each type, whether they're your boss, your client, or a colleague. The book also delivers advice on handling authority, conformity, looks, popularity, "sex education," and other indignities from high school that live on in the workplace. Whether you're still the same as you were in high school, a combination of types, or a reformed Rebel turned Class President, you will delight in and learn from this unique guide.

More Than Make-Believe - Tymber Dalton 2012-09-01

Travis Collins, a straight college student, finds himself in a financial bind. He'll do anything legal, including going gay for pay and spending a weekend as "Craig Rocke," with gay porn star Marston Cougar. Marston tells him to remember it's all fantasy for the camera even though it feels like more. Gary Carmeletti, also known as Marston Cougar, has a respectable day job. He started out making gay porn to pay for college. After getting his heart broken, he has a no-dating rule. Now paired with "virgin" Craig, he finds it hard to keep it make-believe when he's losing his heart. Gary's niece needs surgery, and he almost has enough money to quit for good. But now that he feels a true connection with his fantasy costar, will he be able to find a happily ever after when he feels it's more than make-believe? NOTE: This book was previously published with another publisher. ** A Siren Erotic Romance

More Forensics and Fiction - D P Lyle 2012-04-01

This compilation of medical and forensic science questions from crime writers around the world provides insight into medical and forensic science as well as a glimpse into the writer's creative mind. How do hallucinogenic drugs affect a blind person? Will snake venom injected into fruit cause death? How would you perform CPR in a helicopter? What happens when someone swallows razor blades? How long does it take blood to dry? Can DNA be obtained from a half-eaten bagel? D. P. Lyle, MD, answers these and many more intriguing questions. The book is a useful and entertaining resource for writers and screenwriters, helping them find the information they need to frame a situation and write a convincing description. TV viewers, readers who enjoy crime fiction, and those who want to know more about forensic science can keep up with the news and understand the science behind criminal investigation. From traumatic injuries to the coroner's office, the questions and answers are divided into five parts, making it a compendium of the incredible information that lies within the world of medicine and forensics.

More Shapes Than One - Fred Chappell 2013-12-17

These thirteen tales are populated by an assortment of fictional as well as real characters, all of them vividly sketched and true-to-life: the botanist Linnaeus, the composer Offenbach, the poet Hart Crane, the visionary horror writer H. P. Lovecraft, a southern sheriff, a dealer in rare books, a country singer, an old maid (and her suitor), and a mathematician. Whether these stories are deemed disquieting, comic, prophetic, or tall in the telling, they show us worlds where the truth reveals itself in many shapes. Throughout the writings comprising More Shapes Than One, Fred Chappell's storytelling magic transforms the commonplace.
