urban biophilic innovations in more than a dozen global cities. The final part concludes with lessons on how to advance an agenda for urban biophilia and an extensive list of resources."--Publisher.

The Secret Garden of George Washington Carver - Gene Barretta 2020-01-14

The inspirational story of George Washington Carver and his childhood secret garden is brought to life in this picture book biography by the author-illustrator team behind Muhammad Ali: A Champion Is Born. When George Washington Carver was just a young child, he had a secret: a garden of his own. Here, he rolled dirt between his fingers to check if plants needed more rain or sun. He protected roots through harsh winters, so plants could be reborn in the spring. He trimmed flowers, spread soil, studied life cycles. And it was in this very place that George's love of nature sprouted into something so much more--his future. Gene Barretta's moving words and Frank Morrison's beautiful paintings tell the inspiring life and history of George Washington Carver, from a baby born into slavery to celebrated botanist, scientist, and inventor. His passion and determination are the seeds to this lasting story about triumph over hardship--a tale that begins in a secret garden.

Two Bear Cubs - 2015-08-11

This engaging retelling of the Southern Sierra Miwok legend features the great Yosemite Valley monolith, El Capitan, and how it came to be. Mother Grizzly Bear thinks that her two playful cubs are wrestling and having fun along the Merced River while she is checking her fish traps. When she returns to join her sons, however, she discovers the cubs are nowhere to be found. It takes an unlikely hero to bring her cubs safely home. Populated with characters based on real Sierra animals, this story is about the value of all beings, the nature of courage, and the idea that being a hero has very little to do with one's size. Includes notes about the life and culture of the Southern Sierra Miwok and a bibliography.
