Wild at Heart Revised and Updated - John Eldredge 2011-04-17

Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty. But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored. John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at Heart*, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of *Ransomed Heart* *Wild Hearts* - Cherie Bennett 1994

Four teenage girls in Tennessee form a band, look for boys and make it through high school.

Wild Heart - Laurelin Paige 2021-09-28

Secrets, surprises, and second chances. This trip down memory lane with Jolie has mended as much as it's torn up. I promised her I could handle

anything. Whatever she was hiding, my wild heart would always belong to her. But I could never have imagined this truth. And she can't blame me for how this will all end.

Wild Hearts: A Western Adult Romance - Complete Series - Lucia Jordan 2021-11-23

Marti wants to restore her beloved ranch to all its former glory. However, nothing in her life has ever been easy. From losing her mother when she was young, to losing her husband a year ago. Her world has been turned upside down as she struggles to save her ranch, her life, and her heart. Everything is feeling hopeless until he shows up. He's a blue-eyed drifter that makes her heart speed up, her breathing stop, and her brain liquefy. The last thing Marti needs in her life is a man that torments her dreams and waking moments. Or, maybe, that's exactly what she needs. One way or the other, this mysterious man means trouble. The only problem is, she's not exactly sure what kind of trouble that is!

Captivating - John Eldredge 2011-04-17

What *Wild at Heart* did for men, *Captivating* is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be

restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be.

Wild Hearts - Somte Ralte 2020-02-12

Wild Hearts is the first collection of poetry by Somte Ralte, a young Mizo writer who resides in Aizawl, the idyllic capital of Mizoram. The vivid descriptions of sights and sounds in the collection are direct references to the untouched beauty of nature surrounding the poet. Written in a simple, conversational tone, Wild Hearts encapsulates the lives and preoccupations of youths in Northeast India. Through the persona of the speaker, the poet addresses various issues that many youths face today, be it romance, society, religion, or the self. Beneath the seemingly simplified verse forms and language construction, the poet seeks to convey the deeper message of the importance of finding oneself amidst accepted conventions and traditions in many of her poems. Apart from this stress on self assertion, the poet also hints at the necessity of maintaining good mental health in today's world, as youths increasingly succumb to daily pressures at an alarming rate. The collection invites a fresh look at the recurring perception of poetical works of Northeast India as rooted in one's culture and traditions by transcending borders through images and locations, which leaves the reader with an overwhelming sense of rootlessness, perhaps synonymous with the poet's lived experiences.

Wild Hearts: Circle of Darkness, Book 1 - Eve Newton 2020-05-24

* COMPLETED SERIES * One, two, three The Circle of Darkness is calling to me. I'm Ember. A vampire with a couple hundred years under my belt. Fierce and aloof for a damn good reason, I'm less than impressed when my 'gift' of seeing the future leads me to a hot-headed wolf-shifter. The complete opposite of me, little do I know that the edgy Aria, will become like a sister to me. Reluctantly entangled in a fight against the supernatural world, I'm drawn towards a gorgeous warlock destined to join us in the fight. I know that I've finally met my match...and my soul mate. Surprise hits when an enemy soldier defects and sets his sights on helping us, not to mention claiming Aria as his own. Passions and desires ignite and loyalties are tested as we realize

our fate. Can we all work together for the greater good, or will all be lost? Wild Hearts - Heather Tullis 2013-12-22

Delphi Gifford has nearly given up on finding someone she could love as much as her dead husband, Fallon, who had died while they were still in college. Certainly local photographer Jeremy Litster wasn't at the top of her list, egomaniac that he is--even if he did drive the hottest racing motorbike she'd ever touched. Jeremy knew George DiCarlo had hand-picked him to marry Delphi, but hadn't counted on her not being in the loop. After working together for six months, though, he seriously regrets his misstep and begins a careful campaign to win her over. When someone tries to take the two of them out, he has to figure out what they did or saw that put them both in danger.

Wild About Denali - Sara Blackard 2021-12

Falling for the single mom? Nope. Not gonna happen, no matter how gorgeous and kindhearted she is. The potential for heartache is too high. I should know. My mum proved that dating a single parent leaves one open for soul-crushing bachelorhood. Which is why I was determined to keep things friendly with Denali Wilde once I learned that the beautiful police dog trainer came with a kid. Why add the possibility of angst and suffering to my already stressful move to Alaska and opening an animal rescue center? Too bad I didn't keep my wits when it came to her son. The problem? The kid is amazing, into rescuing animals just like I am. Fair dinkum, the kid needs a mate about as badly as I do. I've done a lot of crazy things in life. I mean, my TV series on Nature Channel wasn't called *Getting Wild with Wilder* for its placid landscapes and tranquil animals. Yet, getting close to Denali and her son proves I have more than a few roos loose in the top paddock. Not only has my admiration for Denali increased with her insane dedication to her son, but he's buried himself so far in my heart, I'll never escape. My determination to keep things friendly with Denali? Yeah, not as easy as I thought it would be, at least on my end. The thing is I'm wild about Denali. I just don't think she feels the same for me. *Wild About Denali* is a laugh-out-loud, heart-melting romcom with a single-mom, an Aussie reality TV star, and kisses that will curl your toes while keeping it clean.

Every Wild Heart - Meg Donohue 2017-03-14

From USA Today bestselling author Meg Donohue comes a mystery, a love story, and a mother-daughter tale about two women on a precarious journey to uncover their true selves. Passionate and funny, radio personality Gail Gideon is a true original. Nine years ago when Gail's husband announced that he wanted a divorce, her ensuing on-air rant propelled her local radio show into the national spotlight. Now, "The Gail Gideon Show" is beloved by millions of single women who tune-in for her advice on the power of self-reinvention. But fame comes at a price. After all, what does a woman who has staked her career on being single do when she finds herself falling in love? And is the person who is harassing her in increasingly troubling ways a misguided fan or a true danger to Gail and her daughter, Nic? Fourteen-year-old Nic has always felt that she pales in comparison to her vibrant, outgoing mother. Plagued by a fear of social situations, she is most comfortable at the stable where she spends her afternoons. But when a riding accident lands Nic in the hospital, she awakens from her coma changed. Suddenly, she has no fear

at all and her disconcerting behavior lands her in one risky situation after another. And no one, least of all her mother, can guess what she will do next...

Wild At Heart: A Novel - K.A. Tucker 2020-02-18

From the internationally bestselling author of The Simple Wild comes the continuation of a woman's journey to the Alaskan wild and a life she never imagined for herself. Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. So, when Jonah arrives on her doorstep with a proposition she can't dismiss, she takes the leap and rushes back to Alaska to begin their exciting future together. But Calla soon learns that even the best of intentions don't always lead to the intended outcomes, and that compromise comes with a hefty price tag—and a log cabin in rural Alaska that feels as isolating as the Western tundra. With Jonah gone more than he's home, one neighbor who insists on transforming her into a true Alaskan, and another who seems more likely to shoot her than come to her aid, Calla grapples with forging her

own path. In a world where with roaming wildlife and harsh environmental challenges, just stepping foot outside her front door becomes daunting some days. Leaving her to wonder if perhaps she is doomed to follow in her mother's fleeing footsteps after all.

Tame Horses Wild Hearts - Alison Paige 2010-03-01

Kate Mathers has a stalker, so her father hires Joe Garity, an ex-cop, as her bodyguard. Joe pretends to be her lover, and finds out that pretending isn't necessary.

JONAS #1: Wild Hearts - Catherine Hapka 2009-07-14

SERIES DESCRIPTION: JONAS is undeniably the hottest rock band on the planet, but behind the cool clothes and sleek guitars, Nick, Kevin, and Joe Lucas are just three guys from New Jersey who are living their dream. They attend a local private school, live at home with their parents and little brother, Frankie, and hang out with friends. Though traces of their superstardom can be found everywhere—the school uniforms that they've personalized, their bodyguard, Big Rob, who appears at school unannounced, and the vending machines in the Lucas home—the boys are naturally down to earth. Disney Channel will undoubtedly have another hit on their hands with this sure-to-be-rockin' series, JONAS! JONAS #1 Wild Hearts Joe, Nick, and Kevin Lucas love touring with their band, JONAS. But after weeks on the road, they are more than ready to get back to their normal life. It turns out, however, that normal life is full of drama, too! When Van Dyke Tosh asks Stella, the brothers' best friend and stylist, to the movies, Joe gets jealous. To keep Stella busy, he decides to call an emergency wardrobe meeting. But when Stella finds out that there is no emergency, will she forgive Joe, or will she prove that all's fair in love and war—including payback! And Joe isn't the only brother feeling torn by love. When Nick puts his heart on the line for a girl, he'll risk getting totally crushed.

Branded Outlaw - L. Ron Hubbard 2011-06-21

Take the law into your own hands, and you risk losing your grip on everything else—including your life. Lee Weston—a young Paul Newman with a Colt revolver at his hip—is as good-looking as he is quick-tempered, and he's got a lot to be angry about. His father murdered, his

family ranch torched, he goes gunning for Harvey Dodge—the man who he's convinced is the killer—and it's Lee who ends up on the wrong side of the law. Shot in a gunfight, on the run and running out of time, he holes up in a mountain hideout and waits for death to come find him. But he wakes up in the arms of a beautiful woman who has beat death to his door and nursed him back to life. She's the first and only woman he has ever fallen for, and her name is Ellen Dodge—Harvey's daughter. Can a great loss lead to a great love? Can the search for revenge lead to redemption? The answers lie in the wild heart of the Wild West—in Branded Outlaw. L. Ron Hubbard was so prolific, and his stories so much in demand, he occasionally had to publish under a pseudonym to ensure that his name wouldn't appear twice in a single issue of a magazine. Thus did Branded Outlaw originally appear as being written by a writer named Barry Randolph. But as is clear from the action and authenticity of the story, it was Hubbard behind the curtain pulling the levers. This is one of sixteen westerns Hubbard wrote in 1938—all influenced by a foray into New Mexico to round out his research. His unsurpassed knowledge of the West originated in his years growing up—and riding on—the range. "Packs a ton of action and some priceless shootout scenes."

Wild at Heart - John Eldredge 2011-03-22

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

Wild at Heart Field Manual - John Eldredge 2002-03-31

In his book Wild at Heart, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity?the

soul of a man as God designed him. If you've already begun the journey, you know how thrilling?and hard?it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the Wild at Heart Field Manual guides you along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from reading about the wild heart to living from it. For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a "nice guy." No wonder many men are bored to tears with church. The hero instinct has been trained out of them. But Eldredge invites men to come alive again, to find their great battle, adventure, and beauty. If you dare . . . keep reading. Your life will never be the same.

Wild Hearts - Melissa West 2016-02-16

In the lush heart of Kentucky, horse racing is king, and the Hamilton family is royalty, born to produce champions. Maybe that's because they understand wildness better than most... Charming, reckless, and restless, youngest brother Alex Hamilton has a reputation for sweet talking his way into any woman's arms—and failing at anything to do with the family business. So when he commits to managing their new breeding operation, it's under one condition: he'll focus on work and nothing else—no distractions, no fun...no women. But just when Alex has promised to keep his hands to himself, sweet, sexy Kate Littleton gallops away with his heart... Kate knows Alex isn't the long-term type—he proved that in a lot of delicious ways when they first met more than a year ago. But seeing him blazing with new dedication to Hamilton Stables, she can't deny that he's miles ahead of any other man who interests her. The attraction between them is electric right out of the gate, but it will take an unexpected loss to put them back in the race and headed for a passionate future together... Praise for Melissa West's Racing Hearts "An emotional story filled with heart, humor, and second chances, Racing Hearts is a love letter to small towns, southern pride, and the heartbeat of all tight communities—its strong families. I laughed, I cried, and I never wanted to leave. An incredible story!"-- Rachel

Harris, New York Times bestselling author

Wild Hearts - Sharon Sala 2020-10-12

Get swept up in this heart-pounding first installment of New York Times bestselling author Sharon Sala's Secrets and Lies trilogy as past secrets refuse to stay buried. Dallas Phillips refuses to believe her father committed suicide, even though things were tough on his farm and he was deeply in debt. When she hears he'd told a neighbor about an upcoming windfall, she grows suspicious, and her suspicion only deepens when she realizes someone is lurking in the nearby mountains after dark. For help, she turns to Trey Jakes, local police chief—and her former lover. As they begin to investigate, another mystery comes to light. Trey's mother is beginning to remember events from thirty years ago, something shadowy that happened in the mountains, and Dallas's father was there, too. Is what happened that night connected to his "suicide"? As they search for the truth, Trey and Dallas struggle to fight their attraction, but they may not be able to fend off another force—a killer who's more than willing to kill again to make sure old secrets stay buried.
