The Way of All Flesh - Samuel Butler

2019-12-11T22:48:45Z

The Way of All Flesh is often considered to be Samuel Butler's masterpiece, and is frequently included in many lists of best English-language novels of the 20th century. Despite this acclaim, Butler never published it in his lifetime—perhaps

because the novel, a scathing, funny, and poignant satire of Victorian life, would have hit his contemporaries too close to home. The novel traces four generations of the Pontifex family, though the central character is Ernest Pontifex, the third-generation wayward son. The reader follows Ernest through the eyes of his watchful

godfather, Mr. Overton, as he strikes out from home to find his way in life. His struggles along the way illustrate the complex relationships between a son and his family, and especially his father; all while satirizing Victorian ideas about family, church, marriage, and schooling. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Lonely City - Olivia Laing 2016-03

There is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. This roving cultural history of urban loneliness centers on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Laing travels deep into the work and lives of some of the century's most original artists in a celebration of the state of loneliness.

Seek You - Kristen Radtke 2021-07-13

From the acclaimed author of *Imagine Wanting Only This*—a timely and moving meditation on isolation and longing, both as individuals and as a society There is a silent epidemic in America: loneliness. Shameful to talk about and often misunderstood, loneliness is everywhere, from the most major of metropolises to the smallest of towns. In *Seek You*, Kristen Radtke's wide-ranging exploration of our inner lives and public selves, Radtke digs into the ways in which we attempt to feel closer to one another, and the distance that remains. Through the lenses of gender and violence, technology and art, Radtke ushers us through a history of loneliness and longing, and shares what feels impossible to share. Ranging from the invention of the laugh-

track to the rise of Instagram, the bootstrap-pulling cowboy to the brutal experiments of Harry Harlow, Radtke investigates why we engage with each other, and what we risk when we turn away. With her distinctive, emotionally-charged drawings and deeply empathetic prose, Kristen Radtke masterfully shines a light on some of our most vulnerable and sublime moments, and asks how we might keep the spaces between us from splitting entirely.

Don't Let Me Be Lonely - Claudia Rankine
2004-09

In this powerful sequence of TV images and essay, Claudia Rankine explores the personal and political unrest of our volatile new century I forget things too. It makes me sad. Or it makes me the saddest. The sadness is not really about George W. or our American optimism; the

sadness lives in the recognition that a life can not matter. The award-winning poet Claudia Rankine, well known for her experimental multigenre writing, fuses the lyric, the essay, and the visual in this politically and morally fierce examination of solitude in the rapacious and media-driven assault on selfhood that is contemporary America. With wit and intelligence, Rankine strives toward an unprecedented clarity-of thought, imagination, and sentence-making-while arguing that recognition of others is the only salvation for ourselves, our art, and our government. Don't Let Me Be Lonely is an important new confrontation with our culture, with a voice at its heart bewildered by its inadequacy in the face of race riots, terrorist attacks, medicated depression, and the antagonism of the television that won't leave us alone.

The Last Cowboys: A Pioneer Family in the New West - John Branch 2018-05-15

Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing *The Last Cowboys* is Pulitzer Prize-winning reporter John Branch's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, *The Last Cowboys* is a powerful testament to the grit and integrity that fuel the American Dream.

The End of the Alphabet - Claudia Rankine
2007-12-01

A “harrowing and hallucinogenic” collection of poems from author of the New York Times–bestselling National Book Award–finalist *Citizen: An American Lyric* (Library Journal). Claudia Rankine’s book-length poem about rising racial tensions in America, *Citizen: An American Lyric*, won numerous prizes, including the The National Book Critic’s Circle Award. Her new collection of poems—intrepid, obsessive, and erotic—tell the story of a woman’s attempt to reconcile herself to her own despair. Drawing on voices from *Jane Eyre* to *Lady MacBeth*, Rankine welds the cerebral and the spiritual, the

sensual and the grotesque. Whether writing about intimacy or alienation, what remains long after is her singular voice—its beguiling cadence and vivid physicality. There is an unprotected quality to this writing, as if each word has been pushed out along the precipice, daring us to go with it. Rankine’s power lies in the intoxicating pull of that dare. From one of contemporary poetry’s most powerful and provocative authors, *The End of the Alphabet* is a work where “wits at once keen and tenacious match themselves against grief’s genius” (Boston Review).

Just Us - Claudia Rankine 2020-09-08
FINALIST FOR THE 2021 ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN NONFICTION
Claudia Rankine’s *Citizen* changed the conversation—*Just Us* urges all of us into it As everyday white supremacy becomes increasingly vocalized with no clear answers at hand, how best might we approach one another? Claudia Rankine, without telling us what to do, urges us to begin the discussions that might open

pathways through this divisive and stuck moment in American history. *Just Us* is an invitation to discover what it takes to stay in the room together, even and especially in breaching the silence, guilt, and violence that follow direct addresses of whiteness. Rankine's questions disrupt the false comfort of our culture's liminal and private spaces—the airport, the theater, the dinner party, the voting booth—where neutrality and politeness live on the surface of differing commitments, beliefs, and prejudices as our public and private lives intersect. This brilliant arrangement of essays, poems, and images includes the voices and rebuttals of others: white men in first class responding to, and with, their white male privilege; a friend's explanation of her infuriating behavior at a play; and women confronting the political currency of dying their hair blond, all running alongside fact-checked notes and commentary that complements Rankine's own text, complicating notions of authority and who gets the last word. Sometimes

wry, often vulnerable, and always prescient, *Just Us* is Rankine's most intimate work, less interested in being right than in being true, being together.

Afterland - Mai Der Vang 2017-04-04

The 2016 winner of the Walt Whitman Award of the Academy of American Poets, selected by Carolyn Forché When I make the crossing, you must not be taken no matter what the current gives. When we reach the camp, there will be thousands like us. If I make it onto the plane, you must follow me to the roads and waiting pastures of America. We will not ride the water today on the shoulders of buffalo as we used to many years ago, nor will we forage for the sweetest mangoes. I am refugee. You are too. Cry, but do not weep. —from "Transmigration" *Afterland* is a powerful, essential collection of poetry that recounts with devastating detail the Hmong exodus from Laos and the fate of thousands of refugees seeking asylum. Mai Der Vang is telling the story of her own family, and

by doing so, she also provides an essential history of the Hmong culture's ongoing resilience in exile. Many of these poems are written in the voices of those fleeing unbearable violence after U.S. forces recruited Hmong fighters in Laos in the Secret War against communism, only to abandon them after that war went awry. That history is little known or understood, but the three hundred thousand Hmong now living in the United States are living proof of its aftermath. With poems of extraordinary force and grace, *Afterland* holds an original place in American poetry and lands with a sense of humanity saved, of outrage, of a deep tradition broken by war and ocean but still intact, remembered, and lived.

West Portal - Benjamin Gucciardi 2021-07-30
Winner of the 2020 Agha Shahid Ali Poetry Prize
West Portal is the name of the neighborhood in San Francisco, California, where poet Benjamin Gucciardi grew up. It is also one of the names of the Pillars of Heracles--the entryway to the afterworld. Drawing on William Carlos Williams's assertion that "the local is the only thing that is universal," *West Portal* investigates the Bay Area's urban and rural landscapes along with the memories and people that reside there. Interweaving the narrative of the death of the poet's sister with the environmental and socioeconomic realities of the current moment, the poems in *West Portal* illuminate the experience of loss, and the attempt to create meaning in the wake of devastation. Through poems that are prayerful, observant, elegiac, pained, dreamlike, philosophical, and compassionate, the book asks: What do we

consider holy? What is virtue? What should any of us value about our relationship to place or our relationship with each other?

How to Be Alone - Lane Moore 2018-11-06

The former Sex & Relationships Editor for Cosmopolitan and host of the wildly popular comedy show *Tinder Live with Lane Moore* presents her poignant, funny, and deeply moving first book. Lane Moore is a rare performer who is as impressive onstage—whether hosting her iconic show *Tinder Live* or being the enigmatic front woman of *It Was Romance*—as she is on the page, as both a former writer for *The Onion* and an award-winning sex and relationships editor for *Cosmopolitan*. But her story has had its obstacles, including being her own parent, living in her car as a teenager, and moving to New York City to pursue her dreams. Through it all, she looked to movies, TV, and music as the family and support systems she never had. From spending the holidays alone to having better “stranger luck” than with those closest to her to

feeling like the last hopeless romantic on earth, Lane reveals her powerful and entertaining journey in all its candor, anxiety, and ultimate acceptance—with humor always her bolstering force and greatest gift. *How to Be Alone* is a must-read for anyone whose childhood still feels unresolved, who spends more time pretending to have friends online than feeling close to anyone in real life, who tries to have genuine, deep conversations in a roomful of people who would rather you not. Above all, it’s a book for anyone who desperately wants to feel less alone and a little more connected through reading her words.

WBCN and the American Revolution - Bill Lichtenstein 2021-11-30

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when

a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the

rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.

Citizen - Claudia Rankine 2014-10-07

* Finalist for the National Book Award in Poetry
* * Winner of the National Book Critics Circle Award in Poetry * Finalist for the National Book Critics Circle Award in Criticism * Winner of the NAACP Image Award * Winner of the L.A. Times Book Prize * Winner of the PEN Open Book Award * ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Boston Globe, The Atlantic, BuzzFeed, NPR. Los Angeles Times,

Publishers Weekly, Slate, Time Out New York, Vulture, Refinery 29, and many more . . . A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book *Don't Let Me Be Lonely: An American Lyric*. Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV-everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary, often named

"post-race" society.

The Daily Show (The Book) - Chris Smith
2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and

opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of

incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Please Hear What I'm Not Saying - Charles C. Finn 2011-11-22

Standing at that magical place where sand meets sea, you likely have imagined putting a message in a bottle, consigning it to the waves, hoping it might some day reach another shore, and then not only be read but, incredibly across

space and time, make a difference in other lives now connected to your own. It has happened to me, and I must sing of it. In the autumn of 1966 I let the waves carry off a poem passed around to students, family and friends, no need for even my name on it. Its message was simple: Keep heart, you are not alone; love, stronger than strong walls, will come, helping your heart in hiding grow wings, feeble perhaps at first, but wings! Word astoundingly began to come back in 1969, and has continued since, that Please Hear What Im Not Saying was indeed reaching other shores, across space and time was indeed making a difference in other lives. What follows attests to the power of words from the heart to touch other hearts, sometimes even to change other lives. Read on. You, too, will sing of it.

Holding Back The Tears - Annie Mitchell
2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the

unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she

turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and “needs no help from anyone, thank you” - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the

divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are

unequaled, and here this artistic union is raised to new heights.

Names for Light - Thirii Myo Kyaw Myint
2021-08-17

Winner of the Graywolf Press Nonfiction Prize, a lyrical meditation on family, place, and inheritance *Names for Light* traverses time and memory to weigh three generations of a family's history against a painful inheritance of postcolonial violence and racism. In spare, lyric paragraphs framed by white space, Thirii Myo Kyaw Myint explores home, belonging, and identity by revisiting the cities in which her parents and grandparents lived. As she makes inquiries into their stories, she intertwines oral narratives with the official and mythic histories of Myanmar. But while her family's stories move into the present, her own story—that of a writer seeking to understand who she is—moves into the past, until both converge at the end of the book. Born in Myanmar and raised in Bangkok and San Jose, Myint finds that she does not have

typical memories of arriving in the United States; instead, she is haunted by what she cannot remember. By the silences lingering around what is spoken. By a chain of deaths in her family line, especially that of her older brother as a child. For Myint, absence is felt as strongly as presence. And, as she comes to understand, naming those absences, finding words for the unsaid, means discovering how those who have come before have shaped her life. *Names for Light* is a moving chronicle of the passage of time, of the long shadow of colonialism, and of a writer coming into her own as she reckons with her family's legacy.

Nothing in Nature is Private - Claudia Rankine 1994

Poetry. African American Studies. "Claudia Rankine is a fiercely gifted young poet. Intelligence, a curiosity and hunger for understanding like some worrying, interior, physical pain, a gift for being alert in the world. She knows when to bless and to curse, to

wonder and to judge, and she doesn't flinch.
NOTHING IN NATURE IS PRIVATE is an arrival.
It's the kind of book that makes you hopeful for
American poetry."—Robert Hass "I am excited by
Claudia Rankine's poems, their elegance, their
emotional force, their scrupulous intimation of

multiple identities. Representing brilliantly the
prismatic vision of a Jamaican, middle class,
intellectual black woman living in America, they
address the widest constituency of readers. This
is a richly rewarding collection."—Mervyn
